RESOLUTION NO. 12-12-16C

A RESOLUTION of the Board of Directors of Manson School District No. 19, Chelan County, Washington, providing for the submission to the voters of the District at a special election to be held therein on February 14, 2017, of a proposition authorizing a tax levy to be made annually for two years commencing in 2017 for collection in 2018 on all of the taxable property within the District of \$1,333,609, the estimated dollar rate of tax levy required to produce such an amount being \$1.6525 per \$1,000 of assessed value (such assessed value representing 100% of true and fair value unless specifically provided otherwise by law), and in 2018 for collection in 2019 of \$1,426,962 the estimated dollar rate of tax levy required to produce such an amount being \$1.7167 per \$1,000 of assessed value, all in excess of the maximum tax levy specified by law for school districts without voter approval, for the District's General Fund, the proceeds of such levies to be used to pay general expenses of maintenance and operation, all as more particularly set forth herein; and designating the Secretary to the Board to receive notice of the ballot title from the Auditor of Chelan County, Washington.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF MANSON SCHOOL DISTRICT NO. 19, CHELAN COUNTY, WASHINGTON, as follows:

Section 1. The Board of Directors (the "Board") of Manson School District No. 19, Chelan County, Washington (the "District"), hereby makes the following findings and determinations:

(a) Calendar year 2017 is the last year of collection of the District's current two-year General Fund maintenance and operation tax levy, which was authorized pursuant to Resolution No. 12-18-14A and a special election held and conducted within the District on February 10th, 2015.

(b) With the expiration of the District's current two-year General Fund maintenance and operation tax levy, it appears certain that the money which will be available for the General Fund for the school years 2017-18, 2018-19 and 2019-2020 will be insufficient to permit the District to meet the education needs of its students, operate its educational programs and pay general expenses of maintenance and operation support thereof, all as more particularly set forth in Section 2 of this resolution, during such school years, and that it is necessary that a replacement excess tax levy of \$1,333,609 be made in 2017 for collection in 2018, and \$1,426,962 made in 2018 for collection in 2019 for the District's General Fund to provide the money required to meet those expenses.

(c) The District's proposed two-year General Fund maintenance and operation tax levy authorized in this resolution provides for approximately the same purpose as the District's expiring two-year General Fund maintenance and operation tax levy.

(d) The District is authorized pursuant to Article VII, Section 2(a) of the Washington Constitution and RCW 84.52.053 to submit to the District's voters at a special election, for their approval or rejection, the proposition of whether the District shall levy excess property taxes for support of the District's maintenance and operation expenses.

Section 2. The Auditor of Chelan County, Washington, as *ex officio* Supervisor of Elections (the "Auditor") and the proper officer of the county to which the District belongs pursuant to chapter 28A.323 RCW, is requested to call and conduct a special election in the District in the manner provided by law to be held therein on February 14, 2017, for the purpose of submitting to the District's voters, for their approval or rejection, the proposition of whether a replacement General Fund maintenance and operation tax levy shall be made annually for two years commencing in 2017 for collection in 2018 on all of the taxable property within the District of \$1,333,609 the estimated dollar rate of tax levy required to produce such an amount being \$1.6525 per \$1,000 of assessed value (such assessed value representing 100% of true and fair value unless specifically provided otherwise by law), and in 2018 for collection in 2019 of \$1,426,962 the estimated dollar rate of tax levy required to produce such an amount being \$1.7167 per \$1,000 of assessed value, all in excess of the maximum tax levy specified by law for school districts without voter approval. The exact tax levy rate may be adjusted based upon the actual assessed value of the taxable property within the District at the time of the levy.

If such proposition is approved by the requisite numbers of voters, the District will be authorized to levy excess property taxes and use the proceeds of such levies to meet the educational needs of its students, operate its educational programs and pay general expenses of maintenance and operation thereof, during the school years 2017-18, 2018-19 and 2019-20, all as may authorized by law and deemed necessary by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080.

Section 3. Pursuant to RCW 29A.36.071, the Chelan County Prosecuting Attorney, as the county prosecuting attorney of the county within which the majority area of the District is located, is requested to prepare the concise description of the aforesaid proposition for the ballot title in substantially the following form:

Section 6. If any provision of this resolution shall be declared by any court of competent jurisdiction to be invalid, then such provision shall be null and void and shall be separable from the remaining provisions of this resolution and shall in no way affect the validity of the other provisions of this resolution, or of the levy or collection of excess property taxes authorized herein.
