Dear Ms. Kellon:

The (organization) submits this letter of support for the *Lake Chelan: Keep It Blue* water quality campaign grant application submitted to the Drinking Water Providers Partnership. We believe that the project would have enormous benefits for drinking water source protection and ongoing water quality efforts. Lake Chelan Watershed Planning Unit (LCWPU). We appreciate the collaboration among Lake Chelan partners to advance the *Keep It Blue* campaign and the overall partnerships within the Lake Chelan basin supporting water resource and sound stewardship of our precious water resources.

We are excited to see the *Keep It Blue* campaign move forward and look forward to our participation as a partner in educating the public about this important topic.

Sincerely,
