Bidder Questions and Clarifications
Bids Due by March 23, 2026 @ 11:00 AM

Question	Response	Date
<i>How many gallons of mulch needs to be applied per plant?</i>	Mulch is not measured per gallon. Rather a 2' round ring that is 3" deep needs to be applied to all potted plants once installed.	3/18/26
<i>Is there vehicle access throughout the entire site?</i>	There is vehicle access to each site, but not throughout the entire site.	3/18/26
