

Lake Chelan Collaborative Agenda

MEETING #4 - JUNE 3, 2026 1:00 PM – 4:00 PM
CHELAN FIRE STATION, 232 E WAPATO AVENUE + CALL-IN OPTION

1 Overview

Chelan County Natural Resources Department is working alongside the Lake Chelan Collaborative (LCC) to identify key data gaps and issues within the Lake Chelan Watershed and make recommendations on how to best address them. These recommendations will culminate in an updated Lake Chelan Watershed Restoration Plan (LCWRP) and Aquatic Invasive Species Management Plan.

Meeting Schedule

- Wednesday, September 23, 2026 – 1:00 pm – 4:00 pm
- December 2026 (TBD)
- March 2027 (TBD)

2 Meeting #4 Objectives

- Provide a brief AIS subcommittee update.
- Provide a recap of what we heard last meeting and updates made to the LCWRP outline.
- Approve the new land acknowledgement language for the operational procedures.
- Review and discuss the draft technical presentation approach/schedule.
- Introduce the LCWRP project matrix and how it will be used in the plan development.
- Solidify questions the group has related to the water supply topic for September meeting.
- Technical presentations on FERC Licensing, fisheries management and discuss how the information from those presentations will inform the LCWRP.
- Learn about the recent DDT study as a follow on to previous water quality discussion.
- Recap decisions made and next steps.

3 Meeting #4 Agenda

Time	Agenda Item	Speaker
1:00 PM 15 min	Welcome and Agenda Overview	Gretchen Muller, Cascadia
