

Lake Chelan Collaborative Agenda

FACILITATOR VERSION – MEETING #5

SEPTEMBER 23, 2026

CHELAN FIRE STATION, 232 E WAPATO AVENUE + CALL-IN OPTION

1 Overview

Chelan County Natural Resources Department is working alongside the Lake Chelan Collaborative (LCC) to identify key data gaps and issues within the Lake Chelan Watershed and make recommendations on how to best address them. These recommendations will culminate in an updated Lake Chelan Watershed Restoration Plan (LCWRP) and Aquatic Invasive Species Management Plan.

Meeting Schedule

- December 2026 – December 16, 1-4 PM
- March 2027 (TBD)

2 Meeting #5 Objectives

- Provide a brief AIS subcommittee update.
- Provide a recap of what we heard last meeting.
- Technical presentation and panel discussion on Lake Chelan water supply.
- Brief discussion of timely topics: Ongoing DDT and Toxics study, Woody Debris study
- Recap decisions made and next steps.
