Screening	Screening Projects						
Screening	LNFH Screening Project	Reclamation	LNFH	TBD	FY2014-2016	Update screens at LNFH (\$1M NEPA funding for LNFH Screen in place)	\$1,000,000+
Screening	Water Diversion and Screen Assessment: Icicle and Peshastin Creeks	OCR Request	WDFW	WDFW	June 2017	Screen and diversion inventory	\$15,923
Screening	Cascade Orchard Irrigation Company Screening Project	Unfunded	Not Identified	Not identified		Update screens at Cascade Orchard	\$X
Screening	IPID Screening Project	Unfunded	Not Identified	Not identified		Update screens for IPID	\$X
Habitat	Habitat Improvments / Lands Plan / Terrestrial Mitigation	Unfunded	Not Identified	Not identified		Habitat improvements in natural channel, potential land acquisitoin to offset impacts	\$X
Municipal	Instream Flow Rule Amendment	Unfunded	Not Identified	Not identified		Modify the instream flow rule to change the reserve in the Icicle basin from the interim level of 0.1 cfs to the final level of 0.5 cfs	\$X

<sup>1.</sup> Funders: Potential project funders could include Office of Columbia River (OCR), Priest Rapids Coordinating Committee (PRCC), Salmon Recovery Foundation Board, direct Legislative Appropriations, Bureau of Reclamation, and others.

2. Project Managers: Potential project managers could include Chelan County, Trout Unlimited, Washington Water Trust, Yakama Nation, Colville Confederated Tribes, LNFH, Conservation Districts, and others.
