Subject: icicle strategy

Dear Mr. Kaputa:

Please be advised that the various undertakings in the Icicle Basin are in the traditional territory of the Wenatchee Tribe, a constituent tribe of the Confederated Tribes of the Colville Reservation. It also appears all of the projected projects are within what many consider the Wenatshapam Reserve. A reserve set aside for the Wenatchi under Article 10 of the 1855 Yakama Treaty (this story is told @ http://www.colvilletribes.com/wenatchi_indians.php). The *p'ąsqŷaw's* (Wenatchi) recently regained their fishing rights in the icicle (*na'sik-elt*) via a court case. Establishment of the reserve is being negotiated. The vicinity of the proposed projects has archaeological, ethnographic, and historic sites of significance to the Confederated Tribes of the Colville Reservation.

We await continued consultation, which may be with the Department of Ecology, under various federal and state laws, regulations, and mandates. We recommend a cultural resource report to identify existing archaeological and traditional sites.

We appreciate you consulting with the Confederated tribes of the Colville Reservation.
