

CRP 679: Stemilt Creek Bridge #102 Superstructure Replacement Stemilt Creek Road MP 1.05

Last Updated: May 6, 2015

Project Vicinity Map

Project Number: County Road Project 679

Project Length: 0.10 miles

Basis for Project: Short Span Bridge Repair

Construction: Completed May 2015

Project Description: This project preserved access up Stemilt Creek Road, which serves residents and recreationalists as well as serves as a postal route. It is imperative that the County maintain school and postal access and access for emergency, and agriculture.

This project replaced a deteriorating bridge deck that would require additional load restrictions. Replacement of the superstructure maintains the unrestricted access for the orchardists located above this bridge.

Status: Project is complete.

Travel Impacts: **None. Unrestricted access has been restored.**

Funding Sources:

County Road Fund \$74,000

TOTAL: \$74,000
