

CRP 703 Eagle Creek Road, Phase II

Eagle Creek Road (MP 0.00 to MP 1.32)

Last Updated: Jan. 4, 2018

Vicinity Map

Project Number: County Road Project 703

Project Length: 2.48

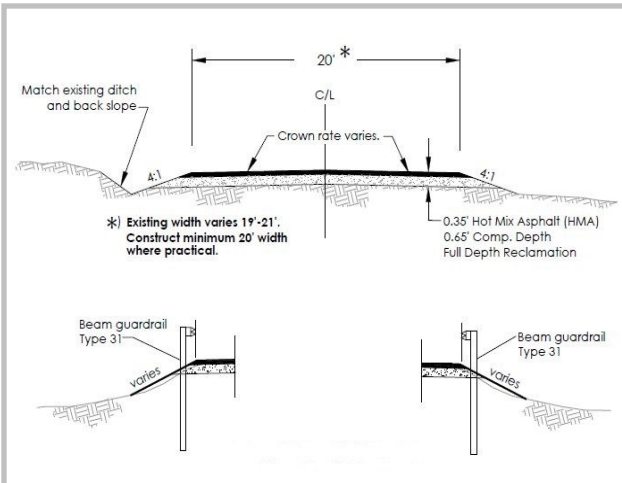

Basis for Project: Road rehabilitation

Construction: May 2018

Project Description: This project is the second phase that will improve Eagle Creek Road which serves residential and school bus traffic, orchardists, outdoor enthusiasts, and logging traffic. The beginning of the project will connect to the previous section at MP 3.30 and conclude at the end of the county road at MP 5.81. This project proposes Full Depth Reclamation (FDR), with a cement treated base and an HMA overlay to prevent further deterioration of the existing roadway and to maintain it at the least possible lifecycle cost. In addition to the pavement rehabilitation, the project will assess mitigation measures for roadside hazards within the clear zone and reestablish proper drainage.

Status: Open house scheduled for Jan. 4, 2018. Project will go out for bid in January 2018.

Travel Impact: Expect one-lane, flagger-controlled traffic with some delays during work hours.

Typical Section

Funding Sources:

Rural Arterial Program \$ 750,000

Forest Lands Access Program \$400,000

Current Funding Total: \$ 1,150,000
