

**RESOLUTION NO. 2019 - 38**  
Re: Seasonal Road Closures Extended

**WHEREAS**, there are seasonal road closures during the winter for Oklahoma Gulch Road, Mountain Home Road, Burch Mountain Road and Horselake Road for no snowmobiling and protecting the mule deer winter range; and

**WHEREAS**, due to the late snow fall this year and the recent inclement weather, the roadways still are impeded by snow and/or exhibit soft road base; and

**WHEREAS**, until the roadways are dried out, these roadways are susceptible to damage by the general public and can exhibit slick conditions; and

**WHEREAS**, the County Engineer has deemed it advisable for public safety and to prevent damage to the roadway to keep the roadways closed to vehicles in accordance with RCW 47.48 until such time that the roads will be passable for the traveling public.

**THEREFORE BE IT RESOLVED** that Oklahoma Gulch Road, Mountain Home Road, Burch Mountain Road, Horselake Road will remain closed to all vehicles until the County Engineer deems it acceptable for the traveling public.

**DATED** at Wenatchee, Washington this 19<sup>th</sup> day of March 2019.
