

Propane Tanks

Disposal

Dryden Transfer Station

9073 Highway 2

Dryden

509.548.5592

- ◆ The Dryden Transfer Station accepts 1-pound canisters of propane for disposal.
- ◆ The transfer station also accepts larger propane tanks; however, the tanks **MUST** be punctured by the disposer to verify that the tank no longer contains gas.
- ◆ Standard tipping fees apply to disposal.

Recycling

Amerigas

4261 Highway 97A

Wenatchee

509.663.4101

- ◆ Amerigas accepts 5-gallon tanks at no charge.
- ◆ A \$7 fee will be charged for tanks larger than 5 gallons.
- ◆ Disposable, 1-pound propane canisters are **NOT** accepted.

1-pound canisters of propane, typically forest green in color, can be safely disposed of in your household garbage.
