Welcome Tasha - New Fair & Expo Director

For the first time in 14 years, the Chelan County Fairgrounds & Expo Center is welcoming a new director.

Following the retirement of longtime Director Karen Welch, Tasha Johnston has stepped into the role, bringing a deep connection to the fairgrounds and an exciting vision for the future.

The fairgrounds have been part of Tasha's life for nearly her entire life.. From participating in events and supporting programs to serving the community in various capacities, she has seen firsthand the impact the fairgrounds have on Chelan County residents and visitors alike.

"I'm excited and honored to take on this role," said Johnston. "The Chelan County Fairgrounds & Expo Center has a rich history and strong traditions that mean so much to our community. I look forward to building on that foundation while exploring new opportunities to enhance the experience for exhibitors, event organizers, fairgoers, and our community."

Tasha brings fresh ideas, enthusiasm, and a commitment to preserving the traditions that have made the Chelan County Fair a beloved annual celebration. Her focus will be on supporting year-round events, creating new opportunities for community engagement, and ensuring the fairgrounds continue to thrive for generations to come.

Fair President Letter

Welcome to the 2026 Chelan County Fair!

We are thrilled to welcome everyone back to the Chelan County Fair! This year's theme is **"Stars, Stripes & Carnival Lights – Celebrating America's 250th Anniversary,"** and we truly have something for everyone. Enjoy the livestock shows and animals, explore our diverse exhibit buildings, and experience the excitement of the carnival rides.

We've packed each day of the fair with entertainment, including not one, but two FREE concerts included with fair admission!

Thursday night: Rising country star John Morgan takes the stage.

Friday night: Country artist RaeLynn, with special guest Jessie Leigh.

Don't miss the livestock auction on Saturday morning, and be sure to catch our **FREE PRCA Rodeo on Saturday night and Sunday afternoon**—also included with your admission ticket! And that's just the beginning—we have a full schedule of entertainment and activities happening throughout the weekend.

A heartfelt thank you to the Chelan County Fair Board, our volunteers, exhibitors, sponsors, and community partners whose hard work and support make the fair possible each year. It truly takes a team effort to create this special event.

We can't wait to see you Sept. 10th through 13th!

Thank you,
Kate Redell /Chelan County Fair President & Fair Board

Chelan County Fair Ambassador & Rodeo Queen

Elly Steele - Fair Ambassador 2026

My name is Elly Steele, and I am a 17-year-old junior at Cashmere High School. I have been part of this fair since first grade, and it holds a special place in my heart. My dad showed hogs here during his high school years, and that family legacy inspired me to get involved.

My journey in agriculture began with the Farm Friends 4-H group, where I showed rabbits from first through fifth grade. I later found my home

The rodeo world has also become an important part of my life. I have volunteered at the Omak Stampede for the past three years, and in 2024 I competed in my first junior rodeo in Chelan, participating in goat tying. Crossing that finish line was one of my proudest moments and the result of years of hard work.

I am honored to serve as this year’s Fair Ambassador and look forward to representing our community, celebrating everything that makes our fair special, and carrying on the traditions that have helped shape who I am.

Josie Weaver - Rodeo Queen 2026

Josie Weaver is the 17-year-old daughter of Michael and Laura Lee Weaver of East Wenatchee. She is a senior at Eastmont High School and is also enrolled at Wenatchee Valley College, where she is working toward her associate degree.

Josie is employed by the YMCA; a role she loves for the opportunity it gives her to work with children of all ages. A lifelong equestrian, Josie has been riding since childhood and has competed in a variety of disciplines, developing the strong Equinemanship skills she brings to her role as the 2026 Chelan County Fair Rodeo Queen.

Volunteers of the Year

Kriss Crilly – 2026 Chelan County Fair Volunteer of the Year

Kriss Crilly’s fair journey began in 1995 when her daughter, Alix, joined the 4-H club Stables n Coops. What started with a handful of chicks grew into years of involvement with chickens, goats, Equines, and a family passion for 4-H and the fair. Kriss became a club advisor and gained a deep appreciation for the role fairs play in youth development through organizations such as 4-H, FFA, Grange, Scouts, Camp Fire, and Open Class.

After retiring from the Wenatchee School District in 2008 following a 35-year career, Kriss returned to the fairgrounds in 2012 as a volunteer in the Chelan County Fair office. Since then, she has provided countless hours of behind-the-scenes support, assisting with exhibitor and vendor preparation, office operations, and answering questions from the public.

Now a familiar face in the fair office each summer, Kriss continues to give her time and talents because she believes in the value of the fair for both youth and the community. Her dedication and years of service make her a deserving recipient of the 2025 Chelan County Fair Volunteer of the Year Award.

Ann Whitehall - 2026 Chelan County Fair Volunteer of the Year

Ann Whitehall is one of those people who simply shows up, steps in, and gets the job done. As a Douglas County Fair Board Member and dedicated advocate for agriculture and youth livestock programs, Ann volunteers countless hours helping make the Chelan County Fair a success year after year.

Passionate about helping young people learn, grow, and develop responsibility through their livestock projects, Ann is always willing to lend a hand wherever needed. Whether she’s helping exhibitors, coordinating auction logistics, calming a stressful situation, or even stepping in front of a wayward cow, there’s no challenge too big for Ann.

For more years than many can count, Ann has been an invaluable part of the Chelan County Fair Livestock Auction. Behind the scenes, she helps coordinate the countless moving pieces that keep the auction running smoothly. Buyers, exhibitors, and fairgoers may never see the challenges that arise throughout the day—and that’s largely because Ann and her team work tirelessly to solve problems before anyone notices them.

Ann’s dedication extends far beyond the fairgrounds. She is deeply committed to her family, her community, and supporting the next generation of agricultural leaders. Just weeks after helping make the Douglas County Fair a success, she is right back at it, volunteering her time and energy to support the Chelan County Fair.

We are incredibly grateful for Ann’s commitment, leadership, and willingness to serve. Her passion for youth, agriculture, and the fair community helps create an experience that exhibitors and families will remember for years to come.

This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the —IAFE National Code of Show Ring Ethics, fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial, and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards, and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows.

Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from the competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in questions, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant,

- counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of the animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

Violation of this rule shall subject such individual to disciplinary action.
 9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner,

exhibitor, fitter, trainer or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

And part of what we're looking for is the back story -- how did you come to think of this, where did you get the parts, what difficulties did you encounter, what's it going to be used for? The other part we're looking for is the process--how did you do it and pictures if you have them! We are hoping that your imagination and ingenuity will inspire other people and that your description and explanation will act as teaching tools.

This is a Chelan County Fair rule as well as a 4-H rule! All Market Beef exhibitors must also submit a signed feed affidavit.**
2. All Market Animals will be weighed as they are unloaded from the truck. This weight will be the sale weight. No pencil shrinkage will be assessed. All market animals' minimum/maximum weights are shown in the Livestock Rules for Exhibitors page at the front of the premium book. The owner of animals that do not meet these weight requirements will have the choice of taking the animal home or showing in a non-market class. These weights are set by the meat packers. The floor buyer will not accept overweight sheep or swine. **See Livestock Rules for weight restrictions.** They must be sold to private buyers only.
3. A member may only sell one market animal (beef, sheep, swine, or goat) through the auction.
4. A 4-H member must show their own animals in all classes, except where more than one animal is entered in a class. Additional animals may then be shown by another 4-H

member who is in the same project. An exhibitor is allowed to show stock only in the project in which he is enrolled.

For a horned animal to be exhibited it must have its horn tips being covered. If the sheep or non-dairy goat has scurs (horn regrowth), these scurs cannot exceed 1" in length without

the horn tips being covered. Non dairy horned goats and sheep may be shown in market and breeding classes but they must have horn tips covered as a safety precaution. 3. No dairy animals with horns are permitted except in the Junior Heifer Calf Class. The definition of horns includes "scurs", "nubbing", or "stubs" that extend more than one inch beyond the skin. 4. 14. Please refer to WA 4-H Equine Program Rule Book for more information.

BARN DUTY REQUIREMENTS FOR ALL 4-H ANIMALS

The primary purpose of Barn Duty is to safeguard the animals, the fair going public, and the tack and equipment left in the barns. Because the needs of each barn are different, the following minimum guidelines have been established:

Equine

A responsible adult must be present in each Equine Barn during all regular fair hours. During Equine showing, all 4-H Equine club members should be at the Equine Arena unless they are participating in another contest or showing another animal. Club members, even those without Equines, are encouraged to watch, assist, and cheer-on their fellow members. The same philosophy applies to all animal showing.

For this reason, Barn Duty in each Equine Barn will be assigned by Club in the following manner: Each club will be assigned a block of time during which their club will provide the "responsible adult". **The adult is not to perform herdsmanship at any time.** This means no adult may clean a stall at any time – **no exceptions.** Herdsmanship is the responsibility of the child. Club members are still responsible for taking care of their own Equine, according to the Herdsmanship guidelines. The adult on Barn Duty is responsible for the safety of the Equines, the public, and the tack. In the evening and on weekends when the barns are crowded, each club will provide one adult. Times will be established after the stall assignments are made. Barn Superintendents may allow small clubs to make arrangements with a neighbor.

ALL OTHER ANIMALS

Club members will sign-up for Barn Duty on rosters provided by the Superintendents in each Building. Clubs are expected to work cooperatively to see that herdsmanship requirements are met. This may mean that club members on Barn Duty will have to care for neighboring animals and exhibition space. Again, the goal is to safeguard the animal and the public while allowing club members to exhibit their animals and watch other club members do the same. However, in no case will herdsmanship be done by any adults.

Age groups according to October 1st of previous year:

Cloverbud: 5-7 years old

Junior: 8-10 years old

Intermediate: 11-13 years old

Senior: 14-18 years old

* Cloverbud 4-H members may not enroll in or show shooting sports, food preservation, large/standard goats, beef, sheep, Equine, swine, or llama/alpaca projects. Cloverbud members may show miniature goats, poultry, rabbits, caviars, and dogs.

BARN DUTY REQUIREMENTS FOR ALL GRANGE ANIMALS

The primary purpose of Barn Duty is to safeguard the animals, the fair going public, and the tack and equipment left in the barns. Because the needs of each barn are different, the following minimum guidelines have been established:

Equine

A responsible adult must be present in each Equine Barn during all regular fair hours. During Equine showing, all Grange Equine members should be at the Equine Arena unless they are participating in another contest or showing another animal. Grange members, even those without Equines, are encouraged to watch, assist, and cheer-on their fellow members. The same philosophy applies to all animal showing.

For this reason, Barn Duty in each Equine Barn will be assigned by Club in the following manner: Each club will be assigned a block of time during which their club will provide the "responsible adult". **The adult is not to perform herdsmanship at any time.** This means no adult may clean a stall at any time – **no exceptions.** Herdsmanship is the responsibility of the child. Grange members are still responsible for taking care of their own Equine, according to the Herdsmanship guidelines. The adult on Barn Duty is responsible for the safety of the Equines, the public, and the tack. In the evening and on weekends when the barns are crowded, each club will provide one adult. Times will be established after the stall assignments are made. Barn Superintendents may allow small clubs to make arrangements with a neighbor.

ALL OTHER ANIMALS

Grange members will sign-up for Barn Duty on rosters provided by the Superintendents in each Building. Clubs are expected to work cooperatively to see that herdsmanship requirements are met. This may mean that Grange members on Barn Duty will have to care for neighboring animals and exhibition space. Again, the goal is to safeguard the animal and the public while allowing Grange members to exhibit their animals and watch other Grange members do the same. However, in no case will herdsmanship be done by any adults.

Junior: 8-10 years old

John Morgan - Thursday, September 10th at 7:30 pm, doors open at 6:30pm - Rodeo Grounds

John Morgan - GRAMMY-nominated and 4x #1 hitmaker, John Morgan delivers country music with a blue-collar edge rooted in the only life he knows. Raised in Sylva, North Carolina — a small town in the Great Smoky Mountains — he grew up playing bluegrass festivals in his family band. Now a “Music City songwriting star” (Tennessean) and “in-demand songcrafter” (Billboard), John has written 16 songs for Jason Aldean alone — including Aldean’s current single “How Far Does A Goodbye Go” and #1 smashes “Trouble With A Heartbreak,” “Whiskey Drink” and the GRAMMY®-nominated “If I Didn’t Love You” with Carrie Underwood. His songs have also been recorded by Jon Pardi, Dustin Lynch and Thomas Rhett.

After years behind the scenes, John’s breakout moment came with his debut single “Friends Like That (feat. Jason Aldean),” which shot to #1 at country radio — earning him his fourth #1 as a songwriter and first as an artist.

That momentum continues with his debut album *Carolina Blue*, out now. A blend of raw storytelling and small-town soul, the project features the rising single “Kid Myself,” currently climbing the charts. Having already played the Grand Ole Opry and toured with Jason Aldean, Kane Brown, Riley Green, ERNEST, Nate Smith and more, John recently wrapped his first headline tour, the “Friends Like That” Tour, at the close of 2025.

John has a track record that proves that he’s not just one of Nashville’s most sought-after songwriters — he’s one of its next big stars.

We will have entertainment for all people of all ages.

Daily entertainment schedules will be posted on our website closer to fair, as well as posted daily on the fairgrounds.

PRCA Rodeo

Rodeo Schedule

- Saturday, September 12th at 7:00 pm - Patriotic Day
- Sunday, September 13th at 1:00 pm - Patriotic Day

Join us for 2 Days of FREE PRCA Rodeo (with your admission ticket into the fair) Bareback riding, steer wrestling, tie-down roping, saddle bronc riding, breakaway roping, team roping, barrel racing, & bull riding.

The Professional Rodeo Cowboys Association (PRCA) is deeply committed to the proper care and treatment of the livestock used in rodeo. The Livestock Welfare Program is extensive and covers many aspects including livestock care standards, education, research, outreach and government relations.

Professional rodeo action consists of two types of competitions - roughstock events and timed events - and an all-around cowboy crown. Each competition has its own set of rodeo rules and order of events.

Rodeo 101- Roughstock Events

In the roughstock events bareback riding, saddle bronc riding and bull riding a contestant's score is equally dependent upon his performance and the animal's performance. To earn a qualified score, the cowboy, while using only one hand, must stay aboard a bucking Equine or bull for eight seconds. If the rider touches the animal, himself or any of his equipment with his free hand, he is disqualified.

In saddle bronc and bareback riding, a cowboy must "mark out" his Equine; that is, he must exit the chute with his spurs set above the Equine's shoulders and hold them there until the Equine's front feet hit the ground after the initial jump out of the chute. Failing to do so results in disqualification.

During the regular season, two judges each score a cowboy's qualified ride by awarding 0 to 25 points for the rider's performance and 0 to 25 points for the animal's effort. The judges' scores are then combined to determine the contestant's score. A perfect score is 100 points.

Rodeo 101- Timed Events

In timed events steer wrestling, team roping, tie-down roping, barrel racing and steer roping; cowboys and cowgirls at "the other end of the arena" compete against the clock, as well as against each other. A contestant's goal is to post the fastest time in his or her event. In steer wrestling and the roping events, calves and steers are allowed a head start. The competitor, on Equineback, starts in a three-sided fenced area called a box. The fourth side opens into the arena.

A rope barrier is stretched across that opening and is tied to the calf or steer with a breakaway loop. Once the calf or steer reaches the head-start point - predetermined by the size of the arena - the barrier is automatically released. If a cowboy breaks that barrier, a 10-second penalty is added.
