CHAPTER 11.22 PESHASTIN URBAN GROWTH AREA

11.22.030 Permitted, Accessory and Conditional Uses

(1) A district use chart is established and contained herein as a tool for the purpose of determining the specific uses allowed in each use district. No use shall be allowed in a use district that is not listed in the use chart as either permitted, accessory or conditional use, unless the administrator determines, by a written administrative interpretation that may be appealed to the hearing examiner, that an unlisted use
is similar to one that is already enumerated in the use chart and may therefore be allowed, subject to the requirements associated with that use and all other applicable provisions.

(2) Short-term rental land uses are commercial uses subject to all provisions of 11.88.290 except where expressly stated otherwise in this section.

(3) Vacation-Short-Term Rentals. Subject to 11.88.290 Short-Term Rentals. Vacation rentals, any unit being rented for less than thirty consecutive days, shall be permitted as identified in Section 11.23.030, District use chart. All vacation rentals shall receive an annual permit from January 1st to December 31st, under Title 14 limited administrative review, documenting conformance and agreement to conform to the following provisions:

(A) Vacation rentals shall maintain the character of the surrounding neighborhood by:

(i) Providing year around solid waste receptacles and pickup service. Trash cans, on the right-of-way, should be removed within twenty-four hours of pickup; and

(ii) Provide at least one off-street parking space, outside of the required setbacks for each two rented bedrooms. Where off-street parking requirements cannot be met the number of rented bedrooms shall be limited; and

(iii) Noise emanating from any use shall be in conformance with Chapter 7.35; and

(iv) Occupancy. The maximum number of occupants permitted to stay overnight shall be two people for each bedroom plus two additional persons, excluding children under the age of six; and

² Through the Task Force process, the report indicated “Lodge permitted by CUP only in commercial zones.” However the focus of the Short-Term Rental code is to address these as commercial uses in residential zones primarily, and the proposal was not vetted with the Planning Commission.
(v) Placing, adjacent to the front door (outside), a legible sign clearly visible to the general public listing the maximum number of occupants permitted to stay overnight, the maximum number of vehicles allowed to be parked on site, and the name and contact information of the local contact person.

(B) Vacation rentals shall provide a local contact person (within a forty-mile radius) twenty-four hours a day seven days a week. Contact information shall be provided to the adjacent properties, the Manson community council, District 5 fire chief, and the Chelan County sheriff.

I. Enforcement. Any violation of the provisions of this chapter is punishable pursuant to Title 16. Enforcement actions may be brought against the owner of the vacation rental home for the conduct constituting the violation.

**Short-Term Rental Standards**

**CHAPTER 11.88 SUPPLEMENTARY PROVISIONS AND ACCESSORY USES**

**11.88.290 Short-Term Rental Regulations**

(1) PURPOSE

(A) Short-term rental use is a commercial use. Where excess rental units exist in residential communities, it has been shown to be detrimental to the affordable residential housing inventory and adversely affect the residential character of those neighborhoods.

(B) The purpose of this section is to establish regulations for the operation of short-term rentals as defined in Chelan County Code (CCC) 14.98, within the unincorporated portions of Chelan County, except short-term rental properties within the Stehekin valley area portion of Chelan County. This chapter also establishes a short-term rental land use permit.

(i) Stehekin Valley short-term rental code development. Stehekin valley is a remote portion of Chelan County accessible by only horse, foot, water, and air travel. It also lacks modern communication and power infrastructure and has other comprehensive planning, infrastructure, economic, natural resource, and other land ownership and land use considerations. Because of these and other considerations, an additional public process will be needed to specifically develop regulations applicable to short-term rentals in this location. That code will be developed at a later date.

(C) The provisions of this chapter are necessary to promote the public health and safety by protecting year-round residents’ enjoyment of their homes and neighborhoods by minimizing the nuisance impact of short-term rentals on adjacent residences and by minimizing the detrimental impact of excessive short-term rentals on the affordable housing supply.

(D) The provisions of this chapter are necessary for consistency with the goals and policies of the Chelan County Comprehensive Plan including but not limited to,

(i) Land Use Element considerations of commercial and residential development that provides sustainable economic opportunity while limiting localized sprawl, maintaining community character, and providing employment opportunities for residents, and anticipating future needs,
(ii) Housing Element goals and policies including, but not limited to, appropriate placement of vacation rentals to avoid impacting neighborhood character and housing stock, accessibility to affordable housing for all residents, providing for a variety of residential housing types and densities, and supporting regulatory changes that promote affordable housing options in all locations in the county,

(iii) Rural Element goals and policies including, but not limited to, maintaining natural environment features that support natural resource-based economic activities including small scale recreation and tourist uses, wildlife habitats, traditional rural lifestyles, outdoor recreation, and open space.

(2) TYPE, NUMBER, AND LOCATION

(A) Type. Short-term rentals are distinguished in three tiers.

(i) Tier 1: Owner-occupied short-term rentals where either (a) rooms are rented and the owner is personally present at the dwelling during the rental period, or (b) the short-term rental is located within the same parcel as the owner’s principal residence and the owner is personally present at the dwelling during the rental period, or (c) the entire dwelling is rented no more than fifteen (15) total days in a calendar year provided that an on-site qualified person is there during the owner’s absence. Portions of calendar days shall be counted as full days.

(ii) Tier 2: Short-term rentals at a dwelling that is not owner occupied or Tier 3 short-term rental.

(iii) Tier 3: Short-term rentals may be either non-owner occupied, or owner occupied, and exceed occupancy limits applicable to Tier 1 and Tier 2 units as identified in CCC 11.88.290(3). No short-term rental may operate as a Tier 3 short-term rental without meeting all Tier 3 provisions as applicable to their property under the requirements found within this chapter.

(iv) Existing non-conforming short-term rentals must comply with the provisions of Subsection (3)(B) below.

(B) Tiered Permits and Numbers Allowed.

(i) Tier 1: New short-term rentals are allowed where permitted per Subsection (C).

(ii) Tier 2 and Tier 3:

(a) New Tier 2 and 3 short-term rentals cannot be located where short term rentals make up more than the maximum share of the total housing stock in residential zoning districts listed in the table below. This is the maximum share of short-term rentals in residential zones within zip codes, zip code subareas, or within urban growth areas where the use is expressly allowed. Leavenworth subareas are identified based on the boundaries in (b). If the share equals or exceeds this level,

---

3 Relates to Policy H 2.4 that is directly relevant to this proposed code.
no new short-term rentals are allowed until the total number falls below this maximum limit.

(b) Leavenworth subareas are a subset of Zip Code 98826, mapped as follows.

Leavenworth Subareas Map – Portions of Zip Code 98826

(c) To calculate the maximum share of short-term rentals in subsection (2)(B)(ii)(a), total dwelling units must be determined based on the latest annual count of total housing units by the State of Washington Office of Financial Management, or another state or county agency that tracks Chelan County housing inventory. Short-term rental percentages must be determined at the time the number of allowed short-term rentals is determined per Subsection (4) of this section.
(d) Tier 2 and Tier 3 short-term rentals in the following zones are not subject to the maximum cap in (a): Rural Commercial zoned districts, Manson and Peshastin Urban Growth Areas’ Commercially zoned districts, Planned Unit Developments existing on the date of adoption of this chapter with recorded plat notes expressly permitting short-term rentals, or Master Planned Resorts.

(e) Share calculation for Cities and Urban Growth Areas are calculated separate and independently from other areas within the same zip code or a designated subarea of a zip code, and one calculation does not affect the maximum allowed share of short-term rentals for the other.

(f) Within Leavenworth subareas to determine if a new Tier 2 or Tier 3 short-term rental is allowed, first the overall zip code share must be met and second the subarea zip code share must be met.

(iii) Existing non-conforming short-term rentals of any Tier level are not subject to the limitations in Subsection (2)(B) provided they comply with all the provisions of Subsection (2)(E) below.

(C) Zones Allowed. In order to operate, short-term rentals may be allowed pursuant to:

(i) Section 11.04.020 applicable to all Rural and Resource Designations, except as limited in Subsection (2)(B).

(ii) Section 11.22.030 applicable to the Peshastin Urban Growth Area, except as limited in Subsection (2)(B).

(iii) Section 11.23.030 applicable to the Manson Urban Growth Area, except as limited in Subsection (2)(B).

(iv) The Board of Chelan County commissioners adopts the cities of Cashmere, Chelan, Entiat, Leavenworth, and Wenatchee land use regulations, development standards and land use designations, as they apply to short term or vacation rentals of fewer than thirty (30) consecutive nights or days, within the county adopted unincorporated urban growth area respecting each city as it is now or is hereafter amended for the cities of Cashmere, Chelan, Entiat, Leavenworth, and Wenatchee, provided that any city regulation requiring acquisition of a business license is not adopted nor incorporated as a county regulation and that instead a Conditional Use Permit may be required, and the County’s review procedures in this Subsection 11.88.290 must control.

(a) Upon the date of the adoption of this code on September 27, 2021 any existing short-term rentals within the exterior boundaries of any city’s designated urban growth area (UGA) are required to have been in full legal compliance with any existing city codes adopted through prior Resolution by the county as they applied to a short-term rental uses within that UGA.

(1) If a short-term rental use is operating in violation of the existing county-adopted city codes for that UGA the rental must immediately cease all operation of that use on the date of adoption of this chapter. A property operating in violation of existing city UGA land use regulations has no legal existing non-conforming status as a short-term rental.
(b) All existing non-conformance claims within a UGA will be subject to joint review by the county and the affected city.

(c) New short-term rental applicants will be required to comply with the most current city regulations for short-term rental use for each city UGA, which are herein adopted and incorporated under Subsection (2)(C)(iv) upon adoption of this code chapter, including if any UGA code prohibits new or continued existing short-term rentals in those zones.

(v) Existing non-conforming short-term rentals of any Tier level are not subject to the limitations in Subsection (2)(C) provided they comply with all the provisions of Subsection (2)(E) below and any other applicable provisions.

(vi) Applications for a new Tier 3 short-term rental permit required by a District Use Chart in Chapter 11.04 to have a Conditional Use Permit (CUP) shall have the CUP processed consistent with Chapters 14.10 and 11.93, and shall have the use conditioned for approval based upon the applicable requirements contained within 11.88.290. A Tier 3 short-term rental CUP is annually renewable and administratively reviewed under the provisions of 11.88.290(4), provided the permit is non-transferable under the restrictions contained within 11.88.290(4)(I).

(D) Lot Size and Lot Location Standards

(i) Minimum lot sizes for new conforming short-term rentals set forth in this Subsection are the minimum necessary and shall not be subject to reduction pursuant to Chapter 11.95 variances, Chapter 11.97 non-conforming lots, structures, and uses, Chapter 11.98 reasonable use, nor subject to administrative modification. The following minimum lot sizes shall be required to establish a Tier 2 or Tier 3 short-term rental in zoning districts where short-term rentals are permitted or conditionally permitted:

| Minimum Lot Area (Acres) Required to Accommodate New Short-Term Rental |
|-----------------------------|-----------------------------|-----------------------------|
| Zone | Tier 2 | Tier 3 |
| RR20 | 10 | 10 |
| RR10 | 10 | 10 |
| RR5 | 5 | 5 |
| RR2.5 | 2.5 | Not allowed |
| RRR | 0.275 | Not allowed |
| RW | 0.275 | Not allowed |
| RV | 0.275 | Not allowed |

(ii) New conforming Tier 2 short-term rentals in all residential zones cited in subsection (D) and within the Manson UGA shall be located a minimum of 200 feet apart as measured from all points of the existing short-term rental dwelling structures to proposed short-term rental dwelling structures. This distance shall not be subject to reduction pursuant to Chapter 11.95 variances, Chapter 11.97 non-conforming lots, structures, and uses, Chapter 11.98 reasonable use, nor subject to administrative modification.
(iii) Proposals for new conforming Tier 3 short-term rentals shall be located on sites with direct access off of functionally classified highways consistent with the Chelan County Transportation Element of the Comprehensive Plan. Access shall be consistent with CCC 15.30.330. Direct access means either parcel frontage or driveway access from the classified highway right of way.

(iv) Existing non-conforming short-term rentals of any Tier level are not subject to the limitations in Subsection (2)(D) provided they comply with all the provisions of Subsection (2)(E) below.

(E) Existing Short-Term Rentals:

(i) A short-term rental use shall be considered lawfully established and existing and allowed to continue to operate as a legally non-conforming use only if the owner proves all the following:

(a) That a location was actually, physically used for short-term rental purposes during the periods specified in (2)(E)(i)(b) and (f). Proof of rental listing, and income generated is also required; and

(b) That sales and lodging taxes required under RCW 64.37 were fully paid for all short-term rental use between July 28, 2019, when RCW 64.37 was in effect, and August 25, 2020; and

(c) That the short-term rental immediately meets all requirements of Subsection (3), provided that the requirements for Parking and Signs shall be met within one year of the effective date of this ordinance, provided that all legally required health and safety provisions within subsection (3) including, Garbage, Consumer Safety, Fire Safety and Outdoor Burning, and Property Management Plan communications provisions are met within ninety (90) days of the effective date of this ordinance, except that in the Manson Urban Growth Area, all provisions consistent with Section 11.23.040 as it existed on August 25, 2020 shall be met on the effective date of this ordinance; and

(d) That the short-term rental operator has obtained the required land use permits within the time requirements in Subsection (4); and

(e) Liability insurance shall be obtained consistent with RCW 64.37.050 as of the effective date of this ordinance (September 27, 2021) per Subsection (3)(N); and

(f) If located inside of the Manson Urban Growth Area, documentary evidence that the short-term rental was properly registered as a vacation rental with Chelan County per 11.23.040 as of August 25, 2020, or that the short-term rental owner held a vacation rental permit in the Manson UGA as of July 28, 2019 or in 2020 prior to August 25, 2020. This documentary evidence also satisfies the requirements found in (2)(E)(i)(a) above provided, failure to accurately represent and disclose a property’s short-term rental history is grounds for immediate permit denial or revocation, and loss of all existing non-conforming status.

(g) Any property owner claiming existing non-conforming status as a short-term rental within any zip code, subarea, or urban growth area shall resolve any existing county code violations on the property as required under 11.88.290(4)(A)(ii) and shall have complied with all other relevant provisions of
11.88.290 and apply for and have received an initial short-term rental administrative land use permit and any all required conditional use permits under subsection (4) by December 31, 2022, or by failing to do so shall waive all claim to having existing non-conforming status.

(ii) Non-conforming Short-Term Rental Units Restricted Zones, or by Parcel Size, Numbers Allowable, or Rental Standards.

(a) Except as provided in (2)(E)(iii) and (iv) below, an existing short-term rental operating as of September 27, 2021 is considered non-conforming when one or more of the following conditions is met:

1. the cap of the zip code, zip code subarea, or urban growth area is exceeded in 11.88.290(2)(B), or
2. a zone does not expressly allow new short-term rental units per 11.88.290(2)(C) and CCC Sections 11.04.020, 11.22.030, 11.23.030, or
3. the short-term rental is located on a parcel that does not meet the lot size and/or lot location standards of 11.88.290(2)(D), or
4. the short-term rental does not comply with the operating standards of 11.88.290(3).

(b) Non-conforming short-term rental properties may only be changed, altered, extended, or enlarged in a manner requiring a permit issued under Chelan county codes if the activity does not increase non-conformance with this or any other chapters of applicable county codes, or to repair unexpected damage from a natural or human caused event provided the repair is that which is minimally required to maintain the former conditions of the rental as it existed prior to the damage.

1. Any property that increases its non-conformance with this chapter without written permitted authorization of the Department may be subject to immediate revocation of all short-term rental permits and shall lose any legally non-conforming status as a short-term rental. Appeal provisions within Title 16 and Chapter 14.12 apply.

(c) If the non-conforming short-term rental cannot comply with criteria, grace period, and timelines in Subsection (2)(E)(i) above, it must cease operating no later than one year from the effective date of this Ordinance (September 27, 2021) and any issued county permit to operate as a short-term rental immediately becomes null and void, subject to appeal under Title 16 and Chapter 14.12.

(d) After expiration of the permit or revocation of the permit authorizing a non-conforming short-term rental, no operator shall operate a short-term rental, subject to appeal under Title 16 and Chapter 14.12.

(e) Any short-term rental property that has an unresolved written notice of violation for short-term rental use, received on or before August 25, 2020, or that operated as a short-term rental contrary to the August 25, 2020 Chelan County short-term rental moratorium Resolution 2020-86, or subsequent rental moratorium.
resolutions 2020-104 and 2021-20, or upon permit application is found to have
an existing zoning, land use, or building permit violation, shall not be considered a
legally non-conforming use as follows;

(1) Moratorium Violation: Short-term rental properties in violation of the
moratoria resolutions in (e) are not subject to a grace period for continued
operation and must immediately cease all short-term rental uses of the
property on the effective date of adoption of this code.

(2) Unresolved Written Notices of Violation or Other Violations: An existing
short-term rental property found to have existing zoning, land use, or
building permit violation must resolve violations according to the time
periods of Section (4)(A)(ii).

(3) Under either case in Subsection (2)(e)(1) or (2)(ii)(e)(2), the short-term
rental property is subject to all provisions of Title 16 CCC, provided that
the appeal provisions of Title 16 and Chapter 14.12 apply.

(iii) Non-conforming Short-Term Rental Units in Manson UGA. Where a short-term rental is
located in the Manson UGA, only those short-term rentals that were properly registered as
a vacation rental and meet criteria in Subsection (2)(E)(i), shall be considered legal non-
conforming according to Chapter 11.97 CCC, provided the short-term rental is
allowed a grace period of operation in which to fully attain compliance with all current
rental standards as provided in Subsection (2)(E)(i) above.

(iv) Non-conforming Short-Term Rental Units in Peshastin UGA. Existing non-conforming
short-term rental units of any Tier within the residential zones in the Peshastin UGA are
subject to the provisions of 11.88.290(2)(E)(i) and (2)(E)(ii).

(v) A non-conforming short-term rental can only become a conforming short-term rental by
first providing an affidavit stating they wish to cease being a non-conforming short-term
rental and surrender any existing rental use permits, and then applying for a new short-
term rental permit subject to all the applicable requirements of this chapter, and other
applicable Chelan County codes.

(vi) The Director may permit a property to operate as an existing non-conforming short-
term rental where the applicant possesses and provides the department written
communication, originating from authorized Chelan County Community Development
personnel and written prior to August 25, 2020, that expressly states the short-term rental
use of this specific property is an allowed use, and that the current use is in-fact operating
and conforming within any parameters or limits expressly stated within that written
communication, provided,

(a) If any provision applicable to existing non-conforming short-term rentals within
this chapter is not expressly exempted by the written communication
referenced herein, the short term rental is subject to all requirements for
existing non-conforming short-term rentals as provided in 11.88.290, except as
stated in (2)(E)(vi)(b) below.

(b) If the written communication referenced herein expressly permits and is
authorized by septic permitting at the time of that written communication
regarding limit on overnight and daytime occupancy, the property shall not be subject to the occupancy limits found within 11.88.290(3)(B)(ii) and (3)(B)(iii).

(c) Provision (2)(E)(vi) sunsets on December 31, 2022.

(3) RENTAL STANDARDS APPLICABLE TO ALL SHORT-TERM RENTALS

(A) Primary or Accessory Residence.

(i) Short-term rentals must be operated out of an owner’s primary dwelling or a legally established accessory dwelling unit. In no case, shall an owner or operator make available a recreational vehicle, tent, or other temporary or mobile unit for short-term rental.

(ii) A short-term rental owner may operate only one short-term rental per parcel as designated on their permit application form, which may be in either the primary dwelling or the accessory dwelling unit but not both. If the short-term rental occurs in a multifamily dwelling the same owner may not rent more than one unit in the development.

(iii) A short-term rental owner may exceed the limits placed on short-term rentals in (ii) above on a parcel subject to the district zoning requirements of a Rural Commercial county zone or similar Urban Growth Area commercial zone, provided the short-term rental must comply with the provisions of 11.04.020, 11.22.030, or 11.23.030.

(B) Occupancy.

(i) The number of rented or occupied bedrooms shall not exceed the number approved in relation to the on-site sewage system approved by the Chelan-Douglas Health District, or strictly follow the requirements of any sewer district or other waste management provider that is being utilized by the rental.

(a) All short-term rentals must meet and maintain this standard immediately, and this provision is not subject to any grace period.

(b) Occupancy of bedrooms is limited to two persons per bedroom, including children.

(ii) Tier 1 and Tier 2 Occupancy limits.

(a) Overnight Occupancy. The owner or operator must limit overnight occupancy to no more than two persons per bedroom, not to exceed:

(c) For purposes of (3)(B)(ii) and (iii) occupancy after 10:00 PM and before 7:00 AM is
considered Overnight Occupancy and all rental use must fully comply with the
overnight occupancy limitations found within 11.88.290.

(iii) Exceeding Daytime Occupancy limits.

(a) In order for any existing non-conforming or new short-term rental of any Tier level
to exceed total daytime occupancy limits contained in section (3)(B)(ii) above, or to
host events such as weddings, gatherings, or retreats an operator must first obtain
a Conditional Use Permit and satisfy all the Conditions of Approval consistent with
CCC 11.93.315 Places of Public and Private Assembly before operation,
provided that the zone allows short-term rentals as a permitted, or conditionally
permitted use and meets all other short-term rental requirements of this section
provided that overnight occupancy is limited to the provisions of (3)(B)(ii)(a) and
(c). All other applicable criteria of CCC Chapter 11.93 shall be met.

(1) For new conforming short-term rentals to exceed the daytime occupancy under
a Conditional Use Permit, in addition to the requirements in (a) above, the
operator must either take access from a classified highway consistent with
11.88.290(2)(D)(iii), or be located in a Master Planned Resort, or in a

access easement, consistent with the provisions of Chapter 11.90.4

(ii) The number of vehicles allowed at the short-term rental must be limited to the number
required per 11.90.060; this requirement must be included in the Property Management
Plan per Section (3)(K) provided that any short-term rental may exceed these limits for
hosted events if a Conditional Use Permit has been obtained and all Conditions of
Approval including traffic and parking requirements have been satisfied consistent with
CCC 11.93.315.

(iii) Unlawful or unsafe parking by short-term rental tenants and guests, owner or operator
joint liability if violation not abated. Qualified Persons or Owner or Operators of short-

emanating from their property for non-compliance with (i) and (ii) above, or for parking
on the property of a neighbor without express permission, or blocking the access to that

---

4 BOCC had requested some review of whether an existing shared driveway agreement should be reviewed in the application process. Staff researched this, and found it is not practical, and hard to confine. It may place county in place of enforcing civil matters via this code. Thus, a provision to review it was not included in this draft.
If the owner fails to cause the parking complaint to be abated within 60 minutes of notification of the complaint, he is subject to the enforcement penalties jointly and severally with the renter, or guest creating the parking violation under this Chapter and Title 16.

(iv) Repeat violations. Two verified parking violations unabated within sixty minutes as provided in (3)(C)(iii) within six months on or adjacent to the same property may also be subject to additional penalties under Chapter 16.20, up to and including revocation of the short-term rental land use permits under 16.20.040.

(D) Garbage.

(i) Trash containers must be provided. Trash must be in proper containers on collection day. Trash must be managed in compliance with CCC Chapter 4.04 Garbage. This requirement must be included in the Property Management Plan per Section (3)(K) and good neighbor guidelines per Subsection (3)(M).

(E) Noise.

(i) Short-term rentals must be operated in compliance with Chapter 7.35 Noise Control. This requirement must be included in the Property Management Plan per Section (3)(K).

(ii) Public disturbance noise complaints. Renters are subject to the provisions of Chapter 7.35. Owner or operators of short term rental properties notified of complaints are responsible to promptly abate public disturbance noise complaints on their property. If the owner or operator fails to cause the noise to be abated within 60 minutes of notification of the complaint, he is subject to compliance with Chapter 7.35 and the enforcement penalties jointly and severally with the renter creating the public disturbance noise.

(iii) Repeat violations. Two verified public disturbance noise violations unabated within sixty minutes as provided in (3)(E)(ii) within six months on the same property may also be subject to additional penalties under Chapter 16.20, up to and including revocation of the short term rental land use permits under Section 16.20.040.

(F) Trespass.

(i) Owners or operators must provide rules in rental contracts restricting occupants from trespassing on neighboring private property and identify proper routes to public places such as easements to shorelines. Such trespass rules must be included in the property management plan in (3)(K) and good neighbor guidelines per Subsection (3)(M).

(ii) Trespass by short-term rental tenants and guests, owner or operator joint liability. Qualified Persons or Owner or operators of short-term rental properties notified of trespassing complaints related to their short-term rental tenants, or their guests are responsible to promptly abate trespass complaints emanating from their property. If the owner or operator fails to cause the trespass to be abated within 60 minutes of notification of the complaint, he is subject to the enforcement penalties jointly and severally with the renter, or guests creating the trespass under Chapter 7.32.030 and Title 16.
(iii) Repeat violations. Two verified trespass violations unabated within sixty minutes as provided in (3)(F)(ii) within six months of on or adjacent to the same property may also be subject to additional penalties under Chapter 16.20, up to and including revocation of the short term rental land use permits under 16.20.040.

(G) Signs.

(i) All owners or operators must display and maintain the address of the residence so that it is clearly visible from the street or access road in compliance with CCC 10.20.520 requirements. The rental must also display and maintain an additional sign outside identifying the property as short-term rental and displaying the Chelan County short-term rental registration number and central phone number required by the County. The sign must not exceed eight square feet in area and if illuminated, must be indirectly illuminated, and letters and numbers must at a minimum four inches in height.

(ii) Placement of the sign.

(a) For short-term rental structures located fifty feet or less from the primary road, the sign text shall be displayed on the side of the structure facing the road and shall be visible from the road designated in the assigned address.

(b) For short-term rental structures located fifty feet or more from the primary road, or for buildings not visible from the road, the sign text shall be posted inside the owner’s property line at the access point to the road designated in the assigned address.

(iii) If the permanent contact information changes during the permit period, the new information must be changed on the sign. Renewal applications must provide evidence of the sign.

(iv) The Director may allow annual mailings to adjacent properties and an interior posted notice for tenants in lieu of an exterior sign where a property’s size and visibility make an exterior sign ineffective, or if for reason of improving security. The owner shall provide verification of mailings and a copy of the notice with the annual permit renewal.

(H) Consumer Safety.

(i) All Consumer Safety requirements of RCW 64.37.030 must be met by the owner or operator. Violations are subject to Title 16. Requirements must be included in the property management plan in (3)(K).

(I) Fire Safety and Outdoor Burning.

(i) Each owner or operator must include a fire protection plan within their property management plan in Subsection (3)(K) to alert renters to respect firewise efforts on a property, or to comply with travel or activity restrictions of CCC Chapter 7.52, Fire Hazard Areas. The fire protection plan shall demonstrate consistency with a Ready Set Go program or equivalent; this includes, but is not limited to, restricting the use of fireworks, outdoor fires, open flame devices, portable fireplaces, fire pits, chimeneas, or BBQ devices. All permanently installed outdoor flame devices, as well as portable burning devices shall have the ability to be secured from use in accordance with CCC 7.52 Fire...
Hazard Areas and these devices must be secured during all periods of regulated burning restrictions banning the use of that device.

(ii) At least one 2A:10BC fire extinguisher, charged, maintained, and in serviceable condition shall be prominently available in the common living space.

(J) Qualified Person.

(i) The owner or operator must provide the name, telephone number, address, and email of a qualified person or their designee (which can be a person or company) who can be contacted concerning use of the property and/or complaints and can respond, personally or through a designee, to the property within sixty (60) minutes to complaints related to the short-term rental consistent with the requirements of this section. The owner or operator must provide a valid telephone number where qualified person can reliably be reached 24 hours per day, every day the property is rented.

(ii) Failure to have a Qualified Person available to respond when contacted, or a failure to abate any complaint regarding a rental code standard under Subsection (3) of this Section by the Qualified Person or owner or operator within sixty (60) minutes is a violation under this Subsection and subjects the owner or operator to the civil penalties provided in 16.20.030.

(iii) Repeat violations. A second subsequent violation within 12 months of the previous violation of failing to have a qualified person available, or failing to respond to a complaint once notified by the Sheriff, County staff, or by any monitoring service employed by the county, is grounds for revocation of the short-term rental permit under 16.20.040.

(K) Property Management Plan.

(i) Short-term rentals must maintain an up-to-date property management plan on file with the Chelan County Community Development Department and be prominently displayed within the common living area portion of the rental. The property management plan must include the following:

(a) Provide a floor plan and site map clearly depicting the property boundaries of the short-term rental, and the escape route in case of an emergency. The plan must provide a map indicating if there is an easement that provides access to a shoreline and, if an easement or other lawful access exists, the boundaries of the easement or access must be clearly defined. If there is no lawful access, this fact must be indicated within the plan together with a warning not to trespass;

(b) Provide the unified business identifier number, Chelan County short-term rental permit number, and the names and addresses of the property owner or operator;

(c) Designate a qualified person and provide contact information consistent with (3)(i) ; and

(d) Provide information required for Consumer Safety per (3)(H) and RCW 64.37.030 and fire protection plan per (3)(l).
(e) All units must have an operable landline or Voice Over Internet Protocol (VOIP) telephone installed to aid in emergency response, and the dwelling recorded in “Rivercom” data base. The address and phone number of the property and the contact phone number for the qualified person shall be prominently displayed near the phone. If land line or VOIP is not available at the site, the Director may at his discretion allow the owner or operator of the short-term rental to use an alternative means of direct phone communication, as long as the communication device is fixed at the location and the phone number is not changed within the annual permitting period. This phone number shall be noted on the permit application and the property management plan which shall also include any special instructions and list any local emergency services calling numbers required for use of the communication device in an emergency.

(1) Renter-owned or possessed mobile phones shall not be used in place of this requirement as they are not always usable in all areas, their batteries may deplete, or they may not be present with the phone at the rental for periods of time during occupancy.

(f) The plan must identify the method by which the owner or operator will notify renters of emergency or temporary conditions such as burn bans.

(g) The plan must specify the maximum number of guests and number of bedrooms.

(h) The plan must include the maximum number of vehicles allowed, and a map with the designated parking space locations allocated for each vehicle.

(i) The plan must be kept up to date at the time of the annual permit and include the annual permit number per Subsection (L).

(j) The plan must include the Good Neighbor Guidelines per Subsection (M).

(L) Annual Permit Number.

(i) The owner or operator must include the Chelan County land use permit number for the short-term rental in all advertisements and ensure its prominent display on platforms and other forums for rental (AirBnB, VRBO, Craigslist, poster, etc.) and on marketing materials such as brochures and websites.

(M) Good Neighbor Guidelines.

(i) Owners and operators must acknowledge receipt and review of a copy of the Good Neighbor Guidelines. Owners and operators must provide evidence that the good neighbor guidelines have been effectively relayed to short-term rental tenants, by incorporating it into the property management plan, and rental contract, posting it online, providing it in a conspicuous place in the dwelling unit, or a similar method.

(N) Liability Insurance.

(i) A short-term rental owner or operator must maintain primary liability insurance consistent with RCW 64.37.050.

(O) Taxes.
The owner or operator must comply with CCC Chapter 6.30, and other local sales taxes and state hotel/motel/lodging and sales taxes in accordance with the Department of Revenue.

(4) LAND USE PERMITS

(A) Land Use Permit Required.

(i) On, or after September 27, 2021, and except as provided in subsection (34)(D)(i) below, no short-term rental owner or operator may advertise, offer, operate, rent, or otherwise make available or allow any other person to make available for occupancy or use as a short-term rental without a valid short-term rental administrative land use permit issued by the Director or a Conditional Use Permit approved by the Hearing Examiner pursuant to this Chapter 11.88, and Chapter 14.10. All dwelling units on a single parcel shall be reviewed concurrently in the same application, and the dwelling to be used as a short-term rental shall be clearly identified.

(ii) All uses on the property must fully comply with CCC Title 11 and the property may not have existing unresolved Chelan County code permitting, land use, or other violations under Titles 3, 11, 15, or 16 in order to be eligible to apply for an administrative short-term rental land use permit or conditional use permit under this chapter. Existing properties claiming non-conforming short-term rentals may be issued a provisional short-term rental permit and may be provided the time of their respective grace period pursuant to 11.88.290(E)(i)(c), but no later than December 31, 2022 to address all violations. No provisional or other short-term rental land use permits shall be issued after that date until any violations are resolved. The Director may extend the timeframe for up to six additional months to obtain compliance upon a showing of a good faith effort.

(B) Annual Renewal. Annual renewal of the short-term rental land use permit is required.

(i) The department shall by September 1 of each year, mail a renewal reminder notice to the permitted owner or operator, sent to the postal address or the email address on file reminding of the renewal requirement of the rental permit requirement.

(ii) A permit expires on December 31 of each year, regardless of when it is issued.

(iii) All annual permitting fees are not pro-rated.

(iv) All permit renewal applications for permitting year 2023, and beyond, must be received by October 31 of the preceding year.

(a) At their discretion the Director may, upon showing of a hardship reason for applicant's delay, accept permit renewal applications received after October 31 but before December 31 of the same year and may assess double the normal fees for permitting, provided the short-term rental may not continue operation past December 31 until the permit application is approved and a permit issued.

(b) Permit renewal applications received after December 31 will not be accepted, and the short term rental must immediately cease operations on January 1 of the following year. The owner and property loses any vesting to continue
operation as a legally conforming or non-conforming short term rental under this chapter. Expired short term rentals under this Subsection are then subject to the housing cap provisions of 11.88.290(2)(B) and must apply as a new short term rental if all other provisions of 11.88.290 allow, and consistent with the applicable district use chart.

(C) Permit Applications.

(i) Short-term Rental owners must apply for an administrative land use permit to establish compliance with this code. Fees consistent with CCC 3.24.010 must be paid. Applicable fees shall reflect costs for review, inspections, and permitting of different short-term rental tiers, and inspections at the appropriate stage. All other permit costs apply. Fees are due at the time permit application.

(D) Application Acceptance and Evaluation.

(i) Existing non-conforming short term rentals. Beginning on September 27, 2021 and by December 31, 2021, all existing short-term rentals operating as of dates established in (2)(E) and subject to the provisions of (2)(E) wishing to operate as a short-term rental for the remainder of 2021 shall pay a fee equal to one quarter of the annual permit fee established for their Tier per the table in Chapter 3.24, and register on a department registration provisional self-certification form. This self-certification form serves as the first provisional short term rental permit application. Those owners and properties failing to register within this time period shall not be considered as an existing and non-conforming short-term rental use for 2021 under this Section and shall forfeit any claim of continuing existing non-conforming short term rental use status for 2021 and beyond under this Section, and any short-term rental that occurred during this period is considered to have been in violation of this Chapter, subject to appeal provisions under Title 16 and Chapter 14.12.

(a) All existing non-conforming short-term rental owners wishing to continue short-term rental land use operation past the 2021 year registration for the 2022 calendar year, shall apply for a short-term rental permit on a provisional self-certification form no later than December 31, 2021. This self-certification form serves as the 2022 provisional short-term rental permit application. The applicant may continue provisional operation until the review, found below in (4)(D)(ii), has been completed and an administrative determination has been made, and the owner has been notified whether their short-term rental is in lawful compliance with this chapter so they may continue to operate in 2022.

(ii) Application for, or issuance of any provisional short-term rental permit does not guarantee future issuance of a short-term rental administrative land use permit under 11.88.290(4). The provisional permit is intended to be temporary and is only in effect while the department reviews all permits applications for compliance with all Chelan County regulations, including this chapter, for the 2021 and 2022 permit years before issuance or denial of issuance of a short-term rental administrative land use permit. This single (4)(D)(ii) provision ceases to exist on December 31, 2022.
_(a) All existing non-conforming short-term rental owners wishing to continue short term rental land use operation past the 2021 year registration for the 2022 calendar year, shall apply for a short-term rental permit on a provisional self-certification form no later than December 31, 2021. This self-certification form serves as the 2022 provisional short-term rental permit application. The applicant may continue provisional operation until the review, found below in (4)(D)(ii), has been completed and an administrative determination has been made, and the owner has been notified whether their short-term rental is in lawful compliance with this chapter so they may continue to operate in 2022.

(iii) For urban growth areas or zip codes below the cap as of the date of permit application, owners may apply for a new short-term rental application per (D)(v).

(iv) By not later than June 30, 2022, the Director shall upon review for accuracy, completeness, and code compliance provisionally approve a Tier 1 short-term rental property, or any existing non-conforming Tier 1, 2, or 3 short-term rental property as provided in 11.88.290(2)(E), for an initial short-term rental administrative land use permit subject to the owner completing a self-certification form in (4)(D)(i)(a) above provided that inspections in Subsection (4)(H) are accomplished prior to the first renewal thereafter, provided that any owner who has been found to be ineligible for continued operation under this chapter that has been notified by the Department shall have thirty (30) calendar days to provide any correction to the information that led to that determination of ineligibility, if a correction is possible, or cease all operation as a short-term rental. They must reapply for permitting under all applicable provisions of Chapter 11.88.290, subject to appeal provisions under Title 16 and Chapter 14.12.

(v) New compliant short-term rentals. Beginning on December 1, 2021, new compliant Tier 1, Tier 2, and Tier 3 land use permit applicants may apply to obtain a new conforming short-term rental permit pursuant to the provisions and limitations of 11.88.290(2).

(a) New short-term rental applications are not allowed for 2021. Applications for 2022 new compliant short-term rentals in urban growth areas or zip codes below the cap based upon available data may apply for a short-term rental land use permit application starting December 1, 2021 and by no later than July 29, 2022, as provided herein. No new 2022 permit applications will be accepted after July 29, 2022. Permit applications, or reservations for application appointments, will be taken on a first come, first served basis at the Community Development office starting at 9:00 AM. After the 2022 permitting year, permit applications for subsequent years are only accepted on the published dates allowing permit submission. The number of permit applications accepted shall not exceed the number of short-term rentals allowed per the applicable housing cap within each zip code and Urban Growth Area as provided in Subsection (2)(8). Once the limit on the number of applications for Tier 2 and Tier 3 short-term rentals has been reached, the window of time for submission shall be closed for that year, provided that Tier 1 applications do not have a limit on the number of applications.

(b) The Director shall annually by March 15 determine the share of short-term rentals to the overall housing stock in each of the unincorporated zip codes and
urban growth areas, and accordingly schedule a permit application time window, to be held only once annually between June 1 and July 31, to allow new short-term rental applications for the following year in each zip code and urban growth area where the cap in Subsection (2)(B) is not exceeded.

(c) A completed permit application does not guarantee that the applicant will receive a permit to operate a short term rental. Application acceptance only guarantees participation in the permit application process and a review for subsequent permitting under the regulations in existence at time of acceptance.

(d) An application must be deemed complete before a permit is issued. Any applicant who does not complete the required application forms, complete any required inspections or other processes contained within this chapter, and fully submit any required supplemental information or who within thirty (30) calendar days of notification fails to correct any application documentation submission deficiencies as requested by the department by any required deadlines, including submitting a complete application for any required Conditional Use Permits, or who upon application review is found to have knowingly provided false information, or if the applicant or property is found to be out of compliance with this or other titles of Chelan County land use or development codes, is therefore ineligible for a short term rental permit. The applicant shall not receive any further processing of their application. Once denied, the applicant shall not be eligible for rental permit application until such time as the owner can show compliance with Chelan County regulations, and then must reapply to restart the process.

(vi) All application fees are non-refundable.

(E) Term.

(i) A short-term rental land use permit must be issued for a period of one calendar year, with its effective date running from the date the application is due as set forth in Subsection (4)(D) above and must be renewed annually by the owner or operator provided all applicable standards of this section are met.

(F) Forms and Procedures.

(i) Applications for short-term rental land use permits must be on forms provided by the County, demonstrating the application meets the standards required by this section. Permit review procedures and appeals must be consistent with Title 14.

(G) Nonuse.

(i) All short-term rentals must operate under a current short-term rental land use permit regardless of nonuse. If a property has not been rented in a twelve-month period, renewal of short-term rental land use permit must still be met to maintain the validity of the permit and to retain eligibility for renewal in immediately subsequent years.
(H) Fire, safety, health, short term rental standards, and building codes compliance, and inspections.

(i) Fire and Emergency Safety and Short Term Rental Standards. Prior to approving the initial short-term rental permit, the applicable fire district, Fire Marshal/Department of Fire Prevention and Investigations, or community development personnel must perform a life-safety and applicable short term rental or conditional land use permit standards inspection, except as provided under Subsections (H)(iv) and (H)(v).

(ii) Wastewater. Each applicant shall demonstrate to the satisfaction of the Director they have a properly functioning and permitted onsite sewage system meeting applicable Health District permitting and standards for the occupancy. The wastewater system must, at all times of occupancy, be maintained and operate as originally permitted.

(iii) The Director may waive inspections under Subsections (H)(i) and (H)(ii) associated with the initial short-term rental permit if the owner or operator provides a notarized affidavit from the applicable fire district or fire marshal or Chelan-Douglas Health District that the short-term rental complies with applicable requirements in Subsections (H)(i) and (H)(ii).

(iv) After the unit is approved and permitted for rental, a completed self-certification checklist for health and safety is required to be submitted by the owner with each annual short-term land use permit renewal consistent with forms provided by the Director.

(v) Owner Responsibility. It is the owner’s responsibility to ensure that the short-term rental is and remains in substantial compliance with all applicable codes regarding fire, building and safety, health and safety, and other relevant laws.

(vi) Owners applying for or receiving a valid short term rental land use permit or a Conditional Use Permit for short term rental or event venue use must allow the Director or designee to inspect or reinspect the property at reasonable times to determine initial compliance with Subsections (3) and (4)(H) of this chapter. If complaints are received, or evidence is encountered indicating non-compliance with this chapter the department may reinspect the property at reasonable times. Denial of entry for inspection is grounds for immediate permit denial or revocation of all permits for short term rental land use under this chapter pursuant to CCC Title 16.20.040.

(l) A short-term rental permit for a code compliant short-term rentals permitted according to (4)(D) is only transferable to a new owner under the provisions below.

(i) With a conforming short-term rental the permit is not transferable, even in the event of death or divorce of an owner.

(ii) A non-conforming short-term rental permitted according to the provisions of Subsection (2)(E), is allowed to transfer the existing permitted non-conforming status and currently issued operating permit to continue under a new owner one time within five years, except three years within the Manson Urban Growth Area, of the effective date of the ordinance (September 27, 2021) consistent with (l)(iii) below, and the new owner may continue to operate under the existing short-term rental permit for the remainder of the current registration year and renew permits and operate in subsequent years under the permitting requirements applicable to the original owner, provided that within thirty (30) calendar days of closing the subject new owner has provided their contact name and
registration information with the Department. The new owner shall provide signage and
notification consistent with (3)(G).

(iii) A transfer occurs when the property is sold by a person or corporation, to another
person or corporation, or when officers of corporations are changed to remove former
officers and add new officers, except that a transfer does not occur when officers are
changed due to death where title is held in survivorship with a spouse or a transfer on the
owner’s death to benefit only a spouse or child(ren) for the lifetime of the spouse or
child(ren). The survivor may not sell or transfer title, except that title may transfer among
the survivors. A transfer also does not occur when due to divorce a former spouse’s name
is removed from the deed or corporation.

(iv) No transfers of the existing non-conforming short-term rental status may occur other
than as provided in this (4)(I) Subsection, and the second owner of a lawful permit
transferred must obtain all required short-term rental permits and meet all applicable
requirements of this Chapter for all subsequent years beyond the current issued permit. If
the property is transferred again, or is not issued a short-term rental permit in any
subsequent years after initial transfer under (4)(I), the property loses its legal non-
conforming status that would have applied to the original owner had they not transferred
ownership.

(J) Approval Criteria.

(i) To receive approval or renewal, an owner must demonstrate to the satisfaction of the
Director that all approval criteria listed below have been satisfied:

(a) The short-term rental is located in a base or overlay zone that allows its use pursuant
to this section.

(b) The short-term rental is consistent with density, location, and occupancy limitations of
this section.

(c) The short-term rental is consistent with short-term rental standards of this section.

(d) The short-term rental is consistent with all applicable health and safety requirements of
this section.

(e) The short-term rental is not the subject of current or outstanding code violations per
Title 16.

(f) The short-term rental is considered non-conforming and is in full compliance with
Subsection (2)(E) above.

(g) The short-term rental has not been transferred in violation of Subsection (4)(I) above.

(K) Appeals of the denial or conditions of short-term rental land use permits or annual renewals
must be filed in compliance with Title 14 CCC.

* After the Task Force Process concluded the County received input that the Manson Community Council had been wishing to
have a 3-year period for transfers as a tradeoff for going to 9% share of short-term rentals in the UGA. As this post-dates
the Task Force process and the County staff wish to have a more aligned process county-wide we have noted 5 years
universally here.
(5) ENFORCEMENT

(A) Within Chelan County jurisdiction, a short-term rental must not operate without an approved and valid Short-Term Rental Permit. Evidence of operation includes, but is not limited to, advertising, online calendars showing availability, guest testimony, online reviews, rental agreements, or receipts.

(B) Enforcement of this section will be in accordance with Title 16 CCC.

(6) MONITORING

The Director shall report to the Board of County Commissioners on the status of short-term rental regulation implementation annually at the time the existing short-term baseline is reported per (4)(D). The County may initiate a review or amendment pursuant to Chapter 14.13.

(A) The Director may utilize a commercial monitoring and/or response service to assist with implementation of this chapter.

11.90.060 Required off-street parking.

(1) Parking space shall be provided as shown in Table 11.90-3 for the land uses listed. The number of required parking spaces shall be rounded upward to the nearest whole number if the calculation results in a fractional space requirement of one-half space or more.
