The undersigned defendant, having requested the appointment of an attorney due to indigency, hereby acknowledges that in connection with such request he/she has been advised that the court may impose the obligation of repaying the fees and costs of the attorney appointed on the following conditions:

1. That the imposition of the obligation to repay such costs and attorney fees would be based upon a foreseeable ability of the undersigned to pay.
2. That the undersigned would be entitled to the same exemption as civil judgment debtors at execution.
3. The order imposing the obligation to pay would not be enforceable by contempt or by revocation of suspended sentence unless non-payment is intentional or in bad faith.

Fully understanding the above advice, the undersigned hereby requests that an attorney be appointed to represent him/her in the above matters.

[] COUNTY OF CHELAN /
STATE OF WASHINGTON,
Plaintiff,
vs.

Defendant.

1. The wrongful conduct charged is the result of or caused by [] substance use disorders [] mental problems [] domestic violence behavior, for which I need treatment.
2. Unless I receive treatment for my problem, the probability is great that I will offend again.
3. I agree to pay the cost of diagnosis and treatment, if I am financially able to do so, subject to RCW 10.05.130.
4. I understand that the court will not accept a petition for deferred prosecution from a person who sincerely believes that they are innocent of the crime(s) charged or do not suffer from alcoholism, drug addiction, mental problems, or domestic violence behavior problems.

5. If this charge is a violation of Title 46 RCW or similar municipal ordinance, I have not previously been placed on a deferred prosecution for a Title 46 RCW or similar municipal ordinance violation.
6. If this charge is a domestic violence offense, I have not previously been placed on a deferred prosecution for a domestic violence offense, this charge was not originally charged in superior court as a felony offense, and a prior stipulated order of continuance was not previously granted.
7. I have filed a case history and assessment with this petition as required by RCW 10.05.020.
8. I have the following rights: (a) to have a lawyer represent me at all hearings; (b) to have a lawyer appointed at public expense if I cannot afford one; (c) to have a speedy, public jury trial; (d) to appeal any conviction; (e) to remain silent and not testify; (f) to question witnesses who testify against me; (g) to call witnesses to testify for me, at no cost; (h) to be presumed innocent unless the charge(s) against me is (are) proved beyond a reasonable doubt; and (i) to present evidence and a defense.

By deferring prosecution on these charges, I give up my right to (a) a speedy trial; (b) a jury; (c) testimony on my behalf; (d) an opportunity to call witnesses and question witnesses, and (e) present evidence or a defense.

9. I agree that the facts as reported in the attached police reports are admissible evidence and are sufficient to support a conviction. I acknowledge that the above items will be used to support a finding of guilty if the deferred prosecution is revoked.
10. If my deferred prosecution is revoked and I am found guilty, I may be sentenced up to the maximum sentence allowed by law.
11. If I proceed to trial and I am found guilty, I may be allowed to seek suspension of some or all fines and incarceration if I seek treatment. I understand that I may seek treatment from a public or private agency at any time, whether or not I have been found guilty or placed on deferred prosecution.
12. For some crimes, a deferred prosecution will enhance mandatory penalties for subsequent offenses committed within a 7-year period. I understand that a deferred prosecution will be a prior offense under RCW 46.61.5055 (driving under the influence, physical control of a vehicle under the influence, negligent driving if originally charged as driving under the influence or physical control of a vehicle under the influence, vehicular homicide, or vehicular assault).
13. If the court defers prosecution on any crime that would be a violation of state law or local ordinance relating to motor vehicle traffic control, I will be disqualified from driving a commercial motor vehicle for the period specified in RCW 46.25.090 and, if I drive a commercial motor vehicle holding a license issued by Washington State, I will be required

to notify the Department of Licensing and my employer of this deferred prosecution within 30 days of the judge granting this petition pursuant to RCW 46.25.030. If the court grants this petition, I may not operate a motor vehicle on the public highways without a valid operator's license and proof of liability insurance pursuant to RCW 46.29.490. If my wrongful conduct is the result of or caused by alcohol dependency, I will be required to install an ignition interlock device under RCW 46.20.720. The required periods of interlock use shall not be less than the periods for in RCW 46.20.720 and subject to certification from the ignition interlock device vendor. I may also be required to pay restitution to victims, pay court costs, and pay probation costs authorized by law. To help ensure continued sobriety and reduce the likelihood of re-offense, the court may order reasonable conditions during the period of the deferred prosecution including, but not limited to, attendance at self-help recovery support groups for alcoholism or drugs, complete abstinence from alcohol and all nonprescribed mood-altering drugs, periodic urinalysis or breath analysis, and maintaining law-abiding behavior. Substance use disorder treatment programs shall require a minimum of 2 self-help recovery groups per week for the duration of the treatment program. The court may terminate the deferred prosecution program if I violate this paragraph.

14. If the court defers prosecution for any crime involving domestic violence behavior, I will be ordered not to possess firearms and I will be ordered to surrender firearms in my possession under RCW 9.41.800. The court may order me to make restitution and to pay costs under RCW 10.01.160. The court may also order reasonable conditions during the deferred prosecution to ensure continued sobriety and reduce the likelihood of re-offense in co-occurring domestic violence and substance abuse or mental health cases. These conditions include, but are not limited to, attendance at a self-help recovery support group for alcoholism or drugs, complete abstinence from alcohol and all nonprescribed mood-altering drugs, periodic urinalysis or breath analysis, and maintaining law-abiding behavior. The court may terminate the deferred prosecution program if I violate the deferred prosecution order.
15. A deferred prosecution program for domestic violence behavior co-occurring with substance abuse or mental health must include, but is not limited to, the following requirements: (a) completion of a risk assessment; (b) participation in the level of treatment recommended by the program as outlined in the current treatment plan; (c) compliance with the contract for treatment; (d) participation in the ancillary or co-occurring treatments that are determined to be necessary for the successful completion of the domestic violence intervention treatment, but not limited to, mental health or substance abuse treatment; (e) domestic violence intervention treatment within the purview of this section to be completed with a state-certified domestic violence intervention treatment program; (f) signature of the petitioner agreeing to the terms and conditions of the treatment program; and (g) proof of compliance with any active order to surrender weapons issued in this program or related civil protection orders or no contact orders.

16. If the court grants this petition, during the period of deferred prosecution, I will be required to contact my probation officer, the probation director or designee, or the court, if there is no probation department, to request permission to travel or transfer to another state if my wrongful conduct involves: (a) an offense in which a person has incurred direct or threatened physical or psychological harm; (b) an offense that involves the use or possession of a firearm; (c) a second or subsequent misdemeanor offense of driving while impaired by alcohol or drugs; or (d) a sexual offense that requires me to register as a sex offender in Washington State. I understand that I will be required to pay an application fee with my travel or transfer request.
17. If I fail or neglect to comply with any part of my treatment plan or with any ignition interlock device requirements, then the court will hold a hearing to determine whether I should be removed from the deferred prosecution program. After the hearing, the court will either order that I continue with treatment or be removed from deferred prosecution and enter judgment. If I am convicted of a similar offense during the deferred prosecution, the court will revoke the deferred prosecution and enter judgment.
18. The court will dismiss the charge(s) against me in this case 3 years from the end of the 2-year treatment program and following proof to the court that I have complied with the conditions imposed by the court following successful completion of the 2-year treatment program, but no less than five years from the date the deferred prosecution is granted, if the court grants this petition and if I fully comply with all the terms of the court order placing me on deferred prosecution. However, when a deferred prosecution is ordered for a petition brought under RCW 10.05.020(1) involving a domestic violence behavior problem, and the court has received proof that I have successfully completed the domestic violence treatment plan, the court shall dismiss that charge(s) pending against me pursuant to RCW 10.05.120(3).

I certify under penalty of perjury under the laws of the State of Washington that I have read the foregoing and agree with all of its provisions and that all statements are true and correct.

 - (e) I am presumed innocent until a charge is proved beyond a reasonable doubt, or I enter a plea of guilty.
 - (f) I have the right to appeal a finding, after trial, of guilt.
4. If I proceed to trial and am found guilty, I may be allowed to seek suspension of some or all of the fines or incarceration (jail sentence) that may be ordered, upon the condition that I seek treatment.
5. I may seek treatment from public and private agencies at any time without regard to whether or not I am guilty of the offense(s) charged.

6. I understand that the court will not accept a petition for deferred prosecution from a person who sincerely believes he or she is innocent of the offense(s) charged or does not, in fact, suffer from the problems alleged in the petition. I sincerely believe I suffer from the problems alleged in my petition for deferred prosecution. I further do not sincerely believe that I am innocent of the charge(s) indicated above.

I understand that my trial will consist of a judge reading the reports and relevant materials and deciding on that evidence alone if I am guilty of the charge.

10. I understand that by submitting my case on the record, I am giving up the Constitutional right to a jury trial, the right to a speedy trial, the right to hear and question witnesses, the right to call witnesses in my own behalf, and the right to testify or not to testify.
