County Auditor letter

Dear Chelan County Voter,

Welcome to the 2021 General Voters’ Pamphlet.

We want to count your ballot. Your signature on the ballot envelope must match the signature in your voter registration record to be counted.

If you registered to vote online, or when you obtained your driver’s license, the signature on your driver’s license is the signature in your voter registration record.

If you are unsure about the signature in your voter registration record, we encourage you to call the Elections Office at (509) 667-6808. We can provide a verbal description of the signature you used when you registered to vote.

You can update your signature by submitting a completed voter registration form. You can do that online at VoteWA.gov using your valid Washington State driver’s license or ID.

Your vote makes a difference. I encourage you to join me in exercising one of the most precious rights we have as Americans - the right to vote. I hope you will join in by casting your ballot in the General Election on November 2. Every vote counts!

Sincerely,

Skip Moore
Chelan County Auditor

Voting in Washington State

Registering to vote

Registering only takes a few minutes, and you may do it by mail or online at VoteWA.gov.

A Washington driver's license or ID is required to register online.

The deadline to receive new voter registrations and voter updates to existing registrations online, by phone or by mail is 5 pm Monday, October 25, 2021.

You may still register and update existing voter registrations after October 25th, but you must do so in person by 8 pm Tuesday, November 2.

Who is eligible to vote

The requirements for registering to vote are simple. You must be a United States citizen, 18 years or older on November 2, 2021 and live in Chelan County 30 days prior to the election.

How to vote

Chelan County voters will receive their ballots by mail. If you are a registered voter in Chelan County, we will mail you a ballot for every election in which you are entitled to participate.

Page 4 in this pamphlet explains how to vote using the Chelan County voting process. Please read the instructions in this pamphlet. We want your vote to count.

Accessible voting

Chelan County Elections is committed to ensuring that all voters have the opportunity to vote a private and secure ballot.

Accessible Voting Units (AVUs) are available starting 18 days before an Election, until 8pm on Election Day.

An AVU is a voting assistance unit that enables voters with visual impairments, cognitive/learning disabilities, illiteracy, or limited mobility to vote independently and privately.

An AVU presents your ballot on a monitor, you select choices by touching a screen, using a select wheel, or by using a tool. You can use headphones to listen to the text and prompts on your ballot. AVUs can also be fitted with sip-and-puff tools. AVUs are wheelchair accessible and screened from others to maintain privacy.

Have you moved?

Have you changed your name?

Make sure you receive your ballot!

If any of the following has changed, you need to update your voter registration information:

- Moved within Chelan County
- Moved out of Chelan County
- Name change

You can update your information by calling our office at 509-667-6808, visiting votewa.gov, or come in person to our office at:

Chelan County Elections
350 Orondo Ave, STE 306
Wenatchee, WA 98801

How to vote

Here are a few important reminders to make sure your ballot is counted.

Mark your ballot by completely filling in the box to the left of your choice with a black or blue ink pen. If you want to vote for a candidate not appearing on the ballot, mark the box to the left of the dotted line provided to indicate your choice. Be sure to mark only one choice for each race on the ballot.

*Example:
Candidate 2 has
been chosen.*

*One candidate
has been marked
and the box is
filled in
completely.*

LOCAL NONPARTISAN OFFICES

SAMPLE DISTRICT
Nonpartisan
Full Four Year Term
VOTE FOR ONE

Candidate 1

Candidate 2

.....

Check your ballot to be sure you have voted for the candidates you intended. Make sure you mark only one response box in each race. If you mark more than one, your vote in that race will not be counted. Your other votes will be counted if they are done correctly. Leaving an office blank will not invalidate your ballot.

If you make a mistake marking your ballot, draw a line through the incorrectly marked choice as shown. You then have the option of marking another choice.

VOTE FOR ONE

Candidate 1

Candidate 2

.....

You must sign and date your return envelope in order for your ballot to be counted!

- Sign in the signature box that has your YOUR name printed on the envelope.
- If you registered to vote online, or when you obtained your driver’s license, the signature on your driver’s license is the signature in your voter registration record.
- If you are unsure about the signature in your voter registration record, we encourage you to call the Elections Office at 509-667-6808. We can provide a description of the signature you used when you registered to vote.
- Do NOT sign someone else’s name, even if you have power of attorney.
- Voting over the phone by having someone else fill out and sign your ballot is against the law. Voters can call us at 509-667-6808 to learn about the options for voting while they are out of town.
- Drop boxes are available if you don’t want your signature to go through the mail. See page 3 for a list of ballot deposit locations.

Replacement ballot

If you lost, damaged or did not receive your ballot, a replacement ballot is available. To get a replacement ballot:

By email: elections@co.chelan.wa.us
Online: VoteWA.gov
By phone: 509-667-6808
In person: 350 Orondo Ave Level 3 Ste 306
Wenatchee, WA 98801

Returning your ballot

All drop box locations are closed promptly at 8pm on Election night. Drop box locations are also listed on the insert included with your ballot packet.

Mailing your ballot

If you are mailing your ballot, no stamp is required.

Ballots dropped at the Post Office or blue postal bin on Election day, are not always date stamped the same day.

We strongly reccomend returning your ballot as early as possible. Mailed ballots must be postmarked by November 2, 2021.

Misha Whitfield

Elected Experience
Not applicable.

Other Professional Experience
Dr. Whitfield has been serving the mental health needs of Washington’s residents for more than twenty years. She is a licensed psychologist at Columbia Valley Community Health, where she is a clinician, faculty member, and supervisor. She has special expertise in treating children, adolescents, families, and couples. Dr. Whitfield finds it a privilege to contribute her expertise to provide holistic, whole person care by closely collaborating with other providers on her team, our schools, and other community stakeholders.

Education
Doctor of Psychology, Washington School of Professional Psychology; Master of Arts, Seattle University; Bachelor of Arts, Seattle Pacific University.

Community Service
No Information Submitted

Statement
Dr. Whitfield decided to run for the Cascade School Board after witnessing first-hand the devastating impacts of the COVID-19 pandemic on the health and well-being of our school-aged children, and their struggling families, and teachers. Dr. Whitfield will work to address the critical needs of our students and parents, including initiatives to address bullying, accessible mental health services in our schools, building stronger partnerships within our community, parent trainings for online safety, and ease of access to school records and IEPs for mental health professions assisting with services in at the schools. Dr. Whitfield values diversity and individual differences. She is also known as an effective communicator, who is skilled at confronting difficult and complex issues in a highly collaborative style across our diversity and difference.

Mike Worden

Elected Experience
President-elect Leavenworth Rotary Club; Vice Chairman of Board Leavenworth Golf Club.

Other Professional Experience
Director of Citywide Mobility Operations Coordination, Seattle (2019); Chief of Operations, Elephant Group Inc (2016-2018); Senior Director, Lockheed Martin Intelligence Systems (2010-2016); Vice Commander Air Combat Command, USAF (2009); Professor of History USAF Academy and University of Maryland; well-published.

Education
USAF Academy (Distinguished Graduate); Army War College (Distinguished Graduate); Duke University (MA, PHD in History) .
Community Service
Member, Veterans Serving Veterans, Wenatchee; member Post 10 American Legion, Wenatchee; member Post 3617 VFW, East Wenatchee; Author of bylaws and co-founder of new Wenatchee Veteran’s Hall; numerous non-profit fund-raising initiatives to serve community.

Statement
We moved to Leavenworth in 2011. I commuted to work until 2020 when I finally retired. I/we believe in community service and have volunteered wherever we lived. We have been deeply involved in the schooling of our children, who fortunately have done well as adults. I have closely supported my wife throughout her selfless former career of teaching K-12 in numerous states and countries. I love academia, sports, the outdoors and especially this community. I take pride in being a good, contemplative listener. I have had a successful career of collaborating with diverse peoples of all ages and backgrounds to achieve great results through strong relationships, thoughtful decision-making and teamwork. I retain an enduring commitment to and expectation of continuous improvement. I believe our future as a free nation and prosperous community will be seriously challenged in complex ways. We must invest in the knowledge and character of our next generation to lead us through those challenges. That starts at home but is strongly complemented by our schools where students learn to grow scholastically, socially and in character. I will complement my different experiences with concerns and aspirations of the community to deeply invest in growing the next generation successfully.

Executive Director - Tall Timber
Commissioner Appointed Board Member - Chelan County Board of Equalization
Board Member - Upper Valley MEND.

Education
High School Diploma - Cascade High School (2002)
Bachelor's Degree - Central Washington University (2006)
Master's Degree - Liberty University (2013)

Community Service
PUD Building Advisory Committee
Committee Member - Leavenworth Youth Life
Elder - Plain Community Church

Statement
Having attended the amazing schools in the Cascade School District, I have experienced first hand how they positively impact students for the rest of their lives. As the director for district 3, I will work hard to support the people and programs that make the Cascade School District so special. I bring my experience as the sitting district director, and legislative representative to this election. I care deeply about our communities, and am grateful for the ways I have been able to give back. I respectfully ask for your vote.

Other Professional Experience
Coaching collegiate athletics leading women in academic and athletic pursuits across multiple divisions; responsible fiscal management of state and booster funds; coordination of nationwide travel and recruitment; ensuring academic excellence with high standards leading to graduation; NCAA DII West Region Advisory Committee; University of Alaska Fairbanks Title IX Committee identifying equity discrepancies within the athletic department.

Education
M.Ed. Athletic and Activities Administration, William Woods University
B.S. Natural Resources Management, Forestry, University of Alaska Fairbanks
A.A.S. Wenatchee Valley College

Community Service
School reading programs, Habitat for Humanity, food banks, Alaska Senior Games. Dear to my heart is coaching youth teams and operating kids camps.

Statement
I am committed to excellence in education. My experiences in the Cascade schools were a positive launching pad for my academic and professional experiences. I was involved in fine arts, Junior Miss, sports, and student government. The education of our youth is paramount to creating a bright future for everyone. I am passionate about empowering children by teaching them how to think critically and creatively problem solve. Students must be presented objective, factual lessons, and encouraged to use those skills learned for decision making. I want to equip kids, parents, and teachers with the tools necessary to develop responsible, thoughtful, and prepared citizens. My dynamic experiences give me intimate knowledge of collaboration with diverse individuals in order to create a shared vision and framework for success. My primary and most important role now is as mother of four children ages 7, 5, 3, and 1. My husband is a Combat Veteran who served this country for 23 years and we are choosing to raise our kids here. My roots are deep in this beautiful community and I care about our kids and our schools. It is essential we have parental involvement, transparent systems, and comprehensive curriculum that represent our values.

Trey Ising

Elected Experience
I am currently serving as Board Chair of Cascade School Board. I am also the Resolution Committee Chair for Washington State School Directors Association.

Other Professional Experience
I own a small business, which has taught me how to problem solve. To borrow a phrase, "I am the chief cook and (literally, in my case) bottle washer."

Education
I graduated from Cascade High School. I have a Bachelors of Science in Business Administration from Central Washington University.

Community Service
I have had many opportunities to serve in the community, including as a youth sports coach and sponsor, food drive organizer, and business donor for many causes.

Statement
I enjoy serving in this capacity. Working with the wonderful people in the district and community is a highlight of being part of the Cascade School Board. I have several kids in the district from a preschooler to a member of the class of 2022. This gives me a unique insight into the schools. Having children in classes and programs gives me a vested interest in having a successful district. I am proud of our students, parents, and staff for the way we pulled together to navigate an incredibly difficult time recently. While this past school year was not ideal, I believe we found innovative ways to provide the best education we could given unavoidable constraints. The district will be stronger because of it. I am aware of the stewardship that I have been given. Being entrusted with the responsibility and resources of the district is humbling. I am asking for your vote to re-elect me to another term so I can continue to do something I am passionate about and be of service. I will continue to improve and work towards becoming the best school district we can for our kids, our families, and our communities. Thank you.

Marty Young

Elected Experience
None

Other Professional Experience
Engineering and employed at DSHS.

Education

Community Service
Serve at Grace City church and blood donor.

Statement
My wife, Jackie, and I have 9 children and moved to Blewett Pass over 23 years ago. I want to ensure we have student "safety, continuous development, needs and interests" as top priorities under local control.

Remote learning was ineffective based on our experience. The school board must emphasize getting students back up to their age respective grade levels in the 3 R's and push back on resources spent on mandated indoctrinations.

I will be honored to serve and represent the district with science, common-sense and reason.

Other Professional Experience
I serve as a Program Manager for the Okanogan-Wenatchee National Forest in Leavenworth; I’ve been a professional manager for over 25 years.

Education
Bachelor of Science in Natural Resources Administration

Community Service
Volunteerism with organizations such as Watch D.O.G.S. (Dads of Great Students), at the Vale; Cashmere Youth Soccer League coach; SMART (Start Making A Reader Today) an Oregon program to assist elementary students with their reading skills and mentorship; Hospice of Bend providing in-house care and support to families; Veterinary Clinic Assistant providing support to both the veterinary doctor and technicians during patient visits and to the animals in the clinic.

Statement
Cashmere is an outstanding community. Like many, our family intentionally chose the Cashmere School District for its proud reputation of having a supportive staff, an engaged community, and a history of high achievement. With our son currently enrolled in the Vale motivates me to learn and grow alongside him. I share in the goal of supporting and energizing our schools as they continue their tradition of excellence.

As an active part of the community, my volunteerism at the Vale has strengthened my interest to broaden my participation within the school district. As many parents, I believe a child’s education is priceless, and I hope to actively lead and learn with the board, while improving opportunities for all students.

As a professional administrator, I’m experienced in addressing challenges through innovation and issues such as managing lean budget years and meeting expectations or demands within changing policies; which will complement our already strong leadership. As a newly elected board member, I intend to actively collaborate with parents, students, and staff while always keeping student success the priority.

Building upon the strong foundation of prior board members, my goal is to blend the tradition of excellence, while also advancing today’s opportunities for improvement.

Statement
For those of you that don’t know me, I am a Chelan High School graduate. I am employed with the Chelan County Sheriff’s Office and live in Chelan. My wife and I have two kids who currently attend Morgen Owings Elementary.

Since moving back to Chelan over four years ago, I have been an active volunteer. Coaching youth sports, participating in the Santa’s Stars program, and organizing a car wash to benefit a local veteran’s family are a few of the events that I have participated in. Running for the Lake Chelan School District board member position feels like a natural progression of my desire to continue serving the Chelan community. I have a vested interest in the success of our school district. As a parent and as a law enforcement officer I am met with challenges on a daily basis that require finding creative solutions. I believe my problem-solving skills will be a valuable asset to the school board. I am looking forward to working alongside our superintendent, school district staff, and school board members, to help our future generations succeed.

Kristi Collins

Elected Experience
I currently do not have experience in any Elected Position. This is my first attempt at running for the position of School Board Member in the Lake Chelan School District.

Other Professional Experience
Transportation Industry, Retail Shipping Management, Medical Assistant in Pediatrics.

Education
Graduated from Auburn High School, Auburn Washington

Medical Assisting Program, Federal Way Washington

Community Service
Real Kids Real Life Program, Elementary School PTO, Newly appointed member of Lake Chelan Rotary

Statement
I am a mother of two small children in the Lake Chelan School district. I have lived here for 11 years with my husband who was born and raised in Chelan. I am a candidate for Lake Chelan Board member because my interests in this position are not personally motivated nor are they strictly for my children's interest but to also become a part of the bigger picture in our growing community. I have an understanding of the shifting needs of our schools, a knowledge of how and when to engage, overseeing without overstepping and being driven by interests and not by individual positions. I am a planner, organized and determined and with these skills I feel I could benefit the Lake Chelan School Board and the direction we all would like to see for the future.

PO BOX 1194
CHELAN, WA 98816

Barb Polley

Elected Experience
This is the first time I have run for public office, but I have extensive experience in education.

Other Professional Experience
Professionally, I served two years in the Peace Corps, with my husband, in Central America, planted an apple orchard in Chelan and taught 23 years for the Chelan School District at first grade in the bilingual program. I retired in 2014.

Education
I graduated from Eastern Washington University with a degree in Elementary Education.

Community Service
Community service included Cub Scouts, camp counselor, Youth Boosters, Migrant Program Pack meetings, PTA, Chelan Museum, Chelan Food Bank and the Community Soup Kitchen.

Statement
Chelan has been my home for 49 years. Our sons were 13 year graduates of Chelan High School. I have a unique perspective of the Chelan School District, as a community member, a parent and also an educator. This experience will allow me to be a well rounded School Board Director. The School District and the Board have maintained a high quality education for the students of this community. My vision would be to continue and extend the legacy that has been established. I want a safe and nurturing environment, teachers who inspire students to become life long learners, to teach and explore the arts, music, technology and practical life skills as well as the required academic subjects. These lay the ground work for student success as they go beyond high school, with the goal of becoming responsible, participating members of a community. Our challenge is to engage innovative methods that bring all, not just some or most, but all students into meaningful and successful learning experiences.

Statement
The local schools are the heartbeat of a community. During my time as an educator and now being in public service, I have always enjoyed making an impact on my community, families and children. That has lead me to run for LCSB. I believe the boards purpose should be to communicate and partner with the community, parents, students, other board members and the Superintendent to ensure that we are serving them all to the best of our abilities.

I believe based on my vested interest of having 3 young children coming through the local public school, my time as an educator and spending that past 5.5 years in the fire service that I have a desire to put my efforts to ensure that our children are learning and growing in the best school in the valley.

None

Other Professional Experience
Financial Advisor since 2006

Education
BA from Washington State University in Foreign Languages and Literature (Spanish) with a Minor in International Business.
Graduate of Manson Secondary School.

Community Service
Lake Chelan Lions Club member since 2006
Scout Leader for the Boy Scouts of America
Lake Chelan Boat Club Board Member
Soccer coach for Chelan AAU, 7 years
Mentor in the Chelan and Manson High School Mentorship Programs
Volunteer at the Lake Chelan Food Bank

Statement
Small school districts have a unique opportunity when it comes to building relationships with our community and the students we serve. If elected as a school board member, my goal would be to maximize opportunities and enrichment for our kids, while being fiscally responsible to the taxpayers of our district. I believe that my ability to consider multiple perspectives, build relationships, and communicate with respect will serve me well in this role. I am the proud parent of three children enrolled in CHS, CMS, and MOE, respectively. It would be an honor to play some small part in making our district the best that it can be, for them, and for all students.

(Miller) Fox

Elected Experience
Elected Chairperson of Northview Bible Church’s Women’s Board from 1996-1998, 2004-2012 (church of 800+).

Other Professional Experience
Acted as a Liaison between the Mary Walker School district and home-school parents in Springdale from 2015-2017.

Education
I am a retired school teacher with 33 years’ experience with my Master’s degree in Administration, Instruction and Curriculum from GU with a Principal endorsement. I was a mediator for 17 years and trained and participated in settling conflict between school district personnel.

Community Service
Captain of Northview Bible Church’s Nursery which included being in charge of 5 supervisors, 110 volunteers and 5 paid workers for 3 years.

Statement
Belief in the US Constitution, 1776 Declaration of Independence, and being proud to be an American are all foundation principles. We need to teach our children our history, so we always learn from the sacrifices our founding fathers made and our troops still make today. Are we perfect- absolutely not, but we can learn from our mistakes. ALL people matter and are created equal, BUT each individual needs to make individual choices on whether to put energy into moving towards a better future or not. It is up to the individual and not a collective right. Our school system needs to prepare our young people to work hard, learn all they can and strive for excellence to the best of their ability. For those that need more help (IEP’s, 504 plans, etc...) I believe, we as a district, should provide as much help as possible to allow each child to be successful in life. I believe in free speech for all people/students. Students need to learn to debate, keep an open mind for the opposing opinion, listen to the facts and draw their own conclusions after asking deep-thinking questions. Parents can be a wonderful font of knowledge!!

Statement
I am running for the Manson School Board because I want to serve the community that my family and I have been a member of the past 11 years. I am a parent of two children who have thrived in the Manson School District. I will work to ensure the continued success of the school by supporting students, teachers and parents with intentional listening and exploring solutions. As a school board member, I would be engaged in the District’s Transitional Bilingual Program to strengthen literacy development in K-12 to decrease the achievement gap; advocate for equity for students of all backgrounds and abilities; and work to ensure that all students graduate with the necessary academic and vocational skills needed to be successful in life. My professional background of 27 years has prepared me to be an effective school board member that will support my decisions with research and data while being fiscally responsible to the District’s taxpayers.

Statement

I believe that each and every student in Manson’s Schools will be successful. That should be the guiding principle of my work on the school board. Student needs, safety and academic achievement are priorities that I’ll persistently pursue. As Manson approaches the end of the pandemic we must discover the positive aspects of education that came out of this difficult time and build on those experiences. I have gained valuable understandings of the operation of Manson School District during my first term. My questions will continue to be asked so that I can make decisions that benefit each and every student.

Other Professional Experience

I’ve been blessed to be a stay-at-home mom for almost 16 years. Before that time I worked in retail and taught preschool.

Education

Degree in education from BYU-Idaho.

Community Service

I serve the 12-18 year old young women at church. I teach them how to be leaders and help them develop their faith. I guide them as they plan weekly activities and seek to serve others. I love volunteering up at Echo Valley Ski Hill where ever I may be needed. Before COVID I could be found twice a week on the playground helping with run club.

Statement

As a mother of 5 kids, 4 of whom are Manson students spread through both buildings, I have a vested interest in the success of our students and staff. I want to see our students succeed in school and as they venture out into life beyond high school. I believe that we are all created equal and as such each child has potential to do great things.

This past year has been a challenge, I want to see our students succeeding again. I want to see our children happy and engaged with teachers and staff. I believe we have amazing teachers at Manson who have given their all during these challenging months.

I would be honored to help develop a sense of happiness and moral values in students and faculty as a result of their interaction with board members.

Our district functions like a family, full of heart. I want to support the success of our students and staff. It is important to me that we keep the education and well-being of each student at the forefront of our decisions.

Manson students deserve the best. I will push for excellence; ask the tough questions and demand thorough and transparent answers.

Iñiguez

Elected Experience
Current Wenatchee School District board member, Pos. 2, appointed January, 2020.

Other Professional Experience
Over 16 years of working in education. Executive Assistant to the President of Wenatchee Valley College. Wenatchee School District. University of Washington, Tacoma.

Education
2007 - University of Washington Tacoma, MA in Interdisciplinary Art and Sciences with an emphasis on education.

2004 - University of Washington Tacoma, BA in Cultural Studies

2002 - Green River Community College

Community Service
WSD, parent volunteer; Community Foundation of NCW; CAFE; College Mentor Program, WHS; Youth Baseball, volunteer; Washington State’s Latino Civic Alliance

Statement
As your school board member, my goal is for each and every student in the Wenatchee School District to receive the support and services they need to access a high-quality education regardless of their personal or social circumstances. I believe every student adds value to our school district and should feel included.

I am a collaborative teammate on the school board, working with district leadership, to provide our students, teachers and staff with an effective environment for teaching and learning. The pandemic has brought a unique set of challenges including student learning loss and the need for more social-emotional learning support. I will continue to collaborate and push the district to grow, especially as we take the experiences of the last year to reimagine what it means to educate the young people of our community. It is imperative that we remove barriers for students who have fallen behind, and push our students who are eager to move forward.

In support of those priorities, I will hold the district accountable for the success of every student by ensuring that every dollar is spent to improve student achievement, and that district spending is transparent.

Every student matters!

Statement
Over the last 18 months I have become increasingly concerned about the direction of our school district. The lack of proactive planning to get children back to school full-time demonstrates a lack of leadership and makes me concerned about the priorities of the Wenatchee School District. Plans should be in place to return all children to school full-time and proactively make up ground from learning loss as our children’s education has regressed during the pandemic.

The sole focus of the public school system is to use the money afforded to it by the community to provide the best education possible for ALL kids. I would appreciate your vote and commit to using my pragmatic, problem solving skills to work in support our children’s education.

Know that I support teachers, staff, parents and most importantly, ALL the children in our district. I support STEM as well as a classical education models. I support equality of opportunity and traditional family values. I do not support comprehensive sexual education or indoctrination of our children in our public schools. I do not support the use of race to separate, divide our children, or our community.

Statement
I am running for the school board because I want all Wenatchee children, including our own child, to receive a better education in a better cultural environment than they are now receiving. I believe that school board members are representatives of the parents of their school district. I will listen to the parents whose children attend the Wenatchee School District to improve the educational process, administration and content.
I believe the school board and the administration should reflect the culture of Wenatchee as voiced by the people in the school district, not as voiced in Olympia or Washington D.C. Therefore, I will fight against federal and state overreach that negatively targets our students, teachers and the convictions of our community, with programs like CSE and CRT. I believe that we should strive for excellence in our schools whether a student is on track for a four-year college degree or a skilled trade. Our students should have access to exceptional teachers with outstanding skills in an environment that is healthy, safe and secure. I also believe that these goals can be achieved while using the taxpayer’s money allocated fairly and responsibly without an undue burden.

Statement
I was appointed to the Board in 2020. Under my leadership and advocacy, the District adopted programs to safely and successfully return students to hybrid and full-time in person learning prior to the end of the academic year. I also actively participated in development of the strategic plan focused on equity, diversity, and academic excellence.
If elected, I will take a mission driven approach to improve access to learning opportunities, close achievement gaps, and enhance academic performance across all demographics and socioeconomic backgrounds so that each student succeeds at their highest individual level. To facilitate this, I will encourage student, teacher, and parent/advocate partnerships that create a safe and positive learning support system for each student. I will promote fiscal responsibility and implementation of clear educational standards. I am committed to open communication, and holding administrators and officials accountable to our students, parents, teachers, and community stakeholders.
I am parent of three students in the District, and a licensed attorney. I provide legal representation to numerous governmental entities, which helps my understanding of the District operations and Board responsibilities. I am uniquely qualified both by my professional background and personal investment in our District to serve on the Board.

Statement
I was raised in Cashmere and now reside here with my wife and three young children. It has been a dream of mine to raise a family in the same community where I grew up; quiet and safe, great schools and parks, and a caring and supportive community. If elected to city council I would like to work with city staff and officials, community members, and the business community to maintain the character of Cashmere while looking for opportunities to improve. I have a particular interest in the areas of infrastructure maintenance and improvement, continuing parks development, and smart and manageable growth. While these are my focus, I understand they all have to be balanced against the budgetary and financial constraints of a small town. Working within those parameters, but towards these goals, we may leave Cashmere healthy and prosperous for the next generation.

Volunteer, Wenatchee River Institute

Statement
Hey neighbor! I'm Lacey Price. I'm 37 years old, been married 11 years, and have two daughters (4 and 6). I've lived in the mid-upper valley for eight years and in Cashmere for two. Although I'm relatively new to Cashmere, it's easy to see why it's an increasingly popular place to live, work, and play. From my perspective, much of what makes Cashmere so special is rooted in our land, our rich history, and our community-first values. To keep Cashmere amazing, I believe we need to honor these founding principles as we chart the course for growth. Some change is inevitable and needs to be managed wisely; other development we will need to work together to strategically pursue. I'm committed to tackling our community's biggest challenges and pursuing our greatest opportunities for positive change through: (1) proactive communication with you, and so I ask if you elect me, you commit to this as well(!); (2) building strategic partnerships with other government entities, organizations, businesses, and individuals; and (3) pursuing alternative funding solutions. I'd be honored to bring my experience as a nonprofit executive, grant writer, and communications specialist to shaping the next era of awesomeness in Cashmere! Thank you!

Statement
Hello! I'm Shela Cates-Pistoresi and I'm running for Cashmere City Council!

As a graduate of Omak High School, I enjoy living in small towns. After High School, I attended the University of Washington and graduated with an Accounting degree. I continued to live and work in the Seattle area to gain experience and earn my CPA License.

In 2012 I moved to Cashmere after months of looking for a place to rent or purchase. A struggle families still have today.

I have over 25 years of audit and financial experience. I am currently employed in Wenatchee as the Chief Financial Officer for Jmac Energy, a service company to the oil and gas industry. Jmac operates in various cities across the US which has given me insight into other communities and how they are organized and governed.

I feel community support is very important. I have coached recreational sports, been on the board of the PTO, worked as an advocate for children in our foster care system, volunteered at the school, and I currently serve as the Treasurer for Cashmere Youth Soccer.

I welcome the opportunity to continue supporting my community on the Cashmere City Council!

Madonna Konshuk

Statement
My name is Madonna Konshuk-Carlton, and I would be honored to represent the people of Chelan by serving on the Chelan City Council! I spent my childhood in North Central Washington and as a collegiate athlete, I earned my teaching certificate in 2000, then moved to the west side of the mountains where I completed my Master's Degree and Principals' Certificate. In 2013 my husband (Matt) and I decided to move closer to home. We felt a smaller community would provide a safer and simpler environment to raise our two children. Currently, I am in my 19th year of teaching and I work as a special education teacher at Morgen Owings Elementary. As a member of the City Council, I would look forward to listening to and representing our local businesses and families. I understand the importance of cultivating a long-term vision for Chelan while addressing the issues that clearly affect us today. This past year has been a difficult one... I am in awe of how our local businesses navigated such unprecedented times. As a member of the Chelan City Council, I promise to ask difficult questions while pursuing innovative solutions to the challenges that face our community.

Owner of Pinnacle Surveying in Chelan since 2003

Education
BS in Forestry from the University of New Hampshire

Community Service
Involved in the Lake Chelan Nordic Ski Club, helping to develop and maintain ski trails in the hills above Chelan;

Member and Past President of the Lake Chelan Rotary

One of the founding members and President of the Chelan Valley Housing Trust.

Statement
My wife and I settled in Chelan 30 years ago. We were able to own a home and raise our son and daughter in this tight and caring community. Chelan is a town where people know and support one another. It has supported me and my family and I always tried give back.

I was elected to City Council 4 years ago. I have been dedicated to maintaining the bedrock values of a rural community during a time of whirlwind change, growth and pandemic.

Moving forward I hope to be able to continue my work to find ways to develop housing for the people that work here so that they may invest in the community, raise families and grow old here. These are the folks who will retain the diversity, traditions and values of a rural town. As the rest of the world discovers our beautiful valley, we need to insist on holding a place at the table for other young families like mine, 30 years ago.

Other priorities include:
Expanding lake access and improving our parks;
Protecting the integrity of our neighborhoods and downtown;
Diversifying our economy;
Promoting responsive, efficient government for Chelan.

Other Professional Experience
37.5 yrs BNSF Railroad, retired

Community Service
Monroe SD School Board, Technology Committee

Statement
I grew up, went to school, raised my family in the Bothell/Snohomish area. In 2013 my wife and I retired and moved to Kalispell, MT for a new adventure. We moved back to Wenatchee, WA to help our family in 2016. Both my wife and I have a great deal of family in the Chelan County area that have lived here for several decades. In 2017 we bought a home in Entiat as we had fallen in love with the small town and its people.

Growth and change is going to happen! My goal as a city council member is for it to happen in as healthy a way as possible for our small community and its infrastructure. With my many years of experience in elected positions representing co-workers and community, I feel I can represent the people of the city of Entiat.

Strong integrity and honesty is very important to me. The ability to listen and communicate with all parties is one of my strengths. My goal is to be an advocate for the people of this very special town.

Statement

I grew up in the Greater Wenatchee Valley. I left in 1980 and returned in 2015 after spending my professional career in large cities. I have fond memories of Entiat growing up and it offered the small town atmosphere and recreational activities I dearly missed. We live in an absolute wonderful place...we are blessed. Growth is inevitable, my goal is to keep Entiat's small town feeling alive during a huge growth period. I do not want outside forces turning our town into a bedroom community solely supporting Chelan and Wenatchee. The local citizens voice should hold more power in our growth than outside bureaucrats forcing their will upon us. I'm a fiscal hawk and taxpayer money should be allocated wisely. It's the peoples money. With rising costs and state tax increase, it's imperative to protect our fixed income citizens from unnecessary burdens when possible. First and foremost, I'm a citizen of Entiat. My goal on council is to keep the small town feel of Entiat alive, maintain financial stability with the best value for the people, and most importantly listen to the peoples voice. We live in a great town...let's keep it that way and grow wisely together.

Community Service
Co-Founder of Leavenworth Neighbors Unite, a community group which successfully petitioned the City Council to maintain the prohibition of short- term rentals within city limits. Board Member Friends of Leavenworth

Statement
I am running for City Council Position #2 because there is a need to sustain the quality of life for our residents as well as promote Leavenworth's economic vitality. Since serving on the Leavenworth City Council after my appointment in February 2020, I have gained new perspectives on the factors necessary to promote our thriving tourist economy and also protect the quality of life in our residential neighborhoods. Through critical dialogue, the city and the chamber of commerce designed the Front Street closure which protected residents, tourists, and our tourist economy through the Covid-19 Pandemic. That same dialogue is necessary for our issues of affordable housing, protecting our rivers, and parking. I want to play a role in initiating that dialogue between the business and the residential communities. Year-round residents are the backbone of neighborhoods. At this time, 31% of our housing stock within city limits is second homes. Securing and providing incentives for construction of affordable housing is essential to maintaining residential neighborhoods and stabilizing our tourist economy. Tourism is what we do, but we are more than a tourist experience. We are neighborhoods raising children, operating businesses, and wanting to sustain the lifestyle we came here to live.

Carolyn A. Wilson

Elected Experience

I am now in my 13th year of serving on the Leavenworth City Council. I look forward to serving another 4 years in the town that I love!

Other Professional Experience

I am a former High School teacher and coach, and also a former law enforcement officer.

Education

I have a Bachelor’s Degree from Pacific Lutheran University, and a Master’s Degree from the University of California at Davis.

Community Service

I have served on festival committees and have been a board member on local non-profits.

Statement

Over the years, I have set several goals that I wanted to help accomplish for the city. Many have come to fruition, while some are still on the drawing board. And I have always tried to balance what is good for our residents and also good for the businesses. It’s sometimes a tough balancing act but I do give it my best shot. Tourism is of course our lifeblood, but as a City Councilperson, I believe I can never put that above the best interests of our residents.

When I moved to Leavenworth over 20 years ago, I knew I wanted to be involved in my community. I volunteered to work on festival committees, and met a lot of people that way. When I was elected to the City Council in 2002, I felt like I had found my true niche, and how to serve my community. I look forward to continuing that service.

Sharon Faye Waters

Elected Experience

Leavenworth City Council since November 2016

Other Professional Experience

Leavenworth - Cascade School Districts 32 years, Classified Staff Negotiator 14 years, Community Swimming Pool 38 summers.

Education

Born and raised in North Seattle, graduated from Shoreline High School 1962, University of Washington 1962 - 1963.

Community Service

Committees: Parks, Public Works, Housing, Downtown Steering, Festhalle, Residential Advisory, Chelan Douglas Health District, Mosquito District, Greater Leavenworth Museum, Solid Waste Council. For my own education and growth, I also regularly attend several local community group meetings. Started the “Festhalle Winter Walkers Group” and volunteer to run the program. I also regularly attend several local community group meetings.

Statement

I married a home town boy who was born and raised in Leavenworth. Together this is where we raised our six children. I have been a Leavenworth resident for 51 years. I have deep roots in our unique community and am passionate about preserving our quality of life for future generations. I have immersed myself in the business of city government to ensure my vote represents your interests. As this city has grown from the little town at the base of Steven’s Pass to a bustling tourist industry, balance tends to get lost in the shuffle. It is of the utmost importance that residents and business representatives come to meetings, look over our shoulders and share your comments and questions before changes come up for a vote. I support the following: preserving parks and green spaces, sustaining local economy, parking management and creating affordable housing while making sure the new development minimizes impacts on existing neighborhood character and maintaining city infrastructure. Please get involved...Leavenworth is a busy city with many projects in the works at any given time.

Elected Experience
Leavenworth City Council, 2018-present

Other Professional Experience
Nearly two decades covering and explaining city and regional government to and for our local communities as KOHO-FM Morning Show Host/News Director. Telling the stories of our health care heroes with Confluence Health and currently as PR/ Communications Director at Cascade Medical.

Education
Degrees in Political Science and Journalism, Gonzaga University

Community Service
Emcee for numerous regional fundraisers: Wenatchee Valley Humane Society Auction for the Animals, Cascade High School “Mr. Kodiak” evening raising money for CHS’ “Senior Sober” graduation celebration, Cascade Education Foundation “One Big Event”, Numerica Winter Ice Gala benefiting Arena Youth Enrichment Fund

Statement
All I’ve ever wanted to do is make a difference. It’s why I asked for the chance to serve you four years ago, and why I’m asking for the honor again. Our village is dynamic, with residents fiercely protective of the unique and vibrant community we have built while featuring a roaring economic engine unlike any other in Washington. I am committed to ensuring that engine remains strong while never losing sight of the fact my top priority is ensuring those efforts always benefit you and the place we choose to call home. Together, we can do great things.

Education
Metropolitan State University of Denver, BS Microbiology/ Chemistry (1998). WA State Firefighter I & II, Wildland Firefighter Type 1, WA EMT, BLS HP-CPR Instructor, Fire Instructor / Investigator I, Swiftwater Rescue Technician

Community Service
CSD Wellness Committee, PRSA, Leavenworth FD CCFD3 Volunteer / Lieutenant (2012-2017), CCSO Swiftwater Rescue (2013-Present), Youth Coach: Leavenworth Soccer Club, Wenatchee Amateur Hockey Association, Icicle Bicycle

Statement
My wife, Danelle, and I chose this beautifully resourced area to raise our three children and become part of a caring and connected community. Leavenworth is experiencing change and growth, which can be well-managed. I seek to bring balance between community and business to guide this change toward positive sustainability, with a keen focus on the well-being of our children, who will ultimately lead our future. As a City Council member, I will promote inclusive communication and responsiveness to keep a better flow of information, ideas and opinions between elected officials, taxpayers and residents, young and old. Together we will achieve balanced growth and a more sustainable future.

Shelley English

Elected Experience
I'm a first-time candidate for office and ready for this new challenge!

Other Professional Experience
20 years working in administrative positions that require an understanding of complex and every-changing rules, regulations, state and federal laws, and how they affect individuals and businesses.

Education
The Dalles High School - Class of 1986

Community Service
I love making special shopping trips just for food bank donations and sending care packages to local organizations, just because. I volunteered at Wenatchee Pride in 2019 and previously did work for other non-profits. Being human dictates that we humble ourselves and lift up others, without judgment, however we can.

Statement
I've been a citizen of Wenatchee for 26 years. I decided to run for office because our Valley is changing and growing. It's time for new names, new faces, and new ideas in City leadership.

I don't have a long list of degrees or fancy accomplishments to share. I'm just a regular person living in the heart of District 2 who cares about her neighbors. I'm a history buff, a music lover, a sports fan, and a lifelong learner. Being in good company, no matter where, is my favorite thing. I think my friends and family would tell you that I'm intelligent, quick-witted, generous, a good gift-giver, and a terrible singer but my rap skills are on point.

District 2 is full of diversity and it needs a representative who is willing to hear all voices. I believe all humans are deserving of dignity and respect no matter where they come from, what they look like, how much money they have, or who they love.

I'll soon be walking District 2 to meet all you beautiful people in the neighborhood and learn what's important in your lives. ALL of your voices matter and I can't wait to hear them!

Mike Poirier

Elected Experience
City of Wenatchee Downtown Association and Board Member, Together for Youth Board, City of Wenatchee Council Member

Other Professional Experience
CPW Insurance Owner and President, Emergency Substitute Teacher for the Wenatchee School District

Education
Wenatchee High School Graduate (1982), Eastern Washington University Graduation (1986); B.A. Recreation Management with emphasis in business and accounting, Continued education with the Washington State Office of the Insurance Commissioner

Community Service
Wenatchee School District 6th grade camp volunteer, Land development for needed housing in Wenatchee Valley volunteer, Chelan-Douglas Local Homeless Housing Task Force, Retired Senior Volunteer Program, Wenatchee School District classroom volunteer, Haven of Hope Board Member, Hospitality House Board President,

Statement
Mike was raised in Wenatchee where he attended Wenatchee Public Schools. After high school he graduated from Eastern Washington University with a Bachelor of Arts in Recreation Management. After moving back to Wenatchee, he started his 28-year insurance career, eventually moving up to President of CPW Insurance, where he currently presides. He is excited about this incredible opportunity to utilize his business and leadership skills representing the citizens of Wenatchee.

Mike’s wife Maureen is a Wenatchee native, and they have three grown children. Mike appreciates the small business climate, educational opportunities, and the incredible diversity Wenatchee offers. For Mike, community service is a priority. He has been actively involved in many organizations

Mike wants to utilize these past experiences to serve and lead the Wenatchee citizens. He was also involved in land development and knows the need to balance development with the wonderful trails in the Wenatchee Valley. Mike knows that elected officials are representatives of the public they serve, and through his past experiences and service, he is qualified for this position. Join Mike in continuing to make Wenatchee Valley the best place to live!

Other Professional Experience
I am the Executive Chef and Owner of The Thai Restaurant and Atlas Fare in Wenatchee. I spent years leading teams at restaurants in Bellingham, Seattle, and Thailand. I returned home to Wenatchee in 2011 to take over our family business which has served the community since 1991. My wife and I opened a second restaurant in 2020.

Education
Bachelor of Arts in Global Studies

Community Service
I believe in supporting local non-profits. My businesses regularly donate to charitable causes that support kids, education, family, and seniors.

Statement
I grew up in Wenatchee and returned in 2011 because I believe we have a great community. As a small business owner, I think I can bring a different perspective to the table. I’ve seen Wenatchee change over the years. I believe we should value tradition while embracing growth. It would be an honor to serve as your City Council representative.

Statement
Keith and his wife of 28 years, Robin, raised six children in the Wenatchee Valley and now have 20 grandchildren and 2 great grandchildren. Robin was born and raised in Wenatchee; Keith has lived here since 1980. They both enjoy all that the Wenatchee Valley has to offer, including walking, biking, kayaking, gardening & camping. They love this beautiful valley we all enjoy, and want to preserve it for generations to come!

Since I stepped up to serve on the Wenatchee City Council in 2012, I have been proud to be the voice of all citizens & businesses and to accurately represent their interests. I plan to continue in this role for the long run!

Wenatchee continues to go through significant growing pains and I will work hard to keep our small town feel and safety. I have the experience and dedication needed to help find the best ways to make this happen.

You re-elected me in 2017, as a conservative voice that makes sure your taxpayer money is spent wisely, and to make Wenatchee a place we are all proud to call home. I'm once again asking for your vote to continue to represent you!

Elected Experience
Chelan County Fire District 1 Commissioner: 2002 - Present

Other Professional Experience
Certified Public Accountant for 36 years
Chief Financial Officer for a large multi-entity distributorship for past 20 years
Third generation fruit grower in Wenatchee as an owner / operator

Education
Wenatchee High School 1978
BA in Business Administration with a major in Accounting - University of Washington 1983
University of Washington Husky Football outside linebacker for Head Coach Don James

Community Service
Fire District 1 Volunteer Firefighter for 26 years
Fire District 1 Volunteers Association past Treasurer
Chelan Douglas Firefighters Association past President
Columbia Breaks Fire Interpretive Center past board member and Treasurer

Statement
I involuntarily became involved in the fire service at age 3 when our residence was destroyed by fire in 1962. As a teenager, I joined the Fire District 1 Volunteers Association due in part to my memory of the event in 1962 and admiration of my father who was Assistant Fire Chief for Fire District 1 at the time. Over the years, our family has been impacted by three fires causing damage to our family residence. Understanding the trauma people endure under such an experience prompted me to lend my skills providing organizational direction and fiscal responsibility to our local emergency / fire services. I served as the lead negotiator for the Board of Commissioners in the annexation of the City of Wenatchee into the Fire District in 2015 and created the financial model implemented for the Fire District in its post-annexation term. I currently serve as the Board Chairman, will address the emergency / fire services needs of our growing community and continue the tradition of the Fire District by providing service to its constituents with pride, professionalism, compassion and understanding for all those requiring assistance.

Community Service
Gilda and I deeply care about our community. 2 of our 5 boys still attend
school here in Chelan. We have been involved in supporting local charities. I
am a commercial fisherman by trade, having spent over 30 years fishing crab
and salmon in the Bering Sea and Alaskan waters.

Statement
Transparency, honesty, fiscal responsibility and service are what is needed in
a Fire Commissioner. I volunteered during the 2015 firestorm, and was 1 of
3 out of 22 new volunteers to be nominated "Recruit of The Year". I currently
hold a seat on the "Chelan Fire District 7 Citizens Advisory Group". Standing
alone against 11 other members, I called for an inter-local agreement between
Manson District 5 and Chelan District 7 verses running a cap lift. Combining
services with local agencies creates efficiencies, increases personnel and saves
taxpayers money. It is critical to the safety of our district we have a working
relationship between the Hospital EMS and station 71. Rebuilding public trust
and improving service via cost effective means without imposing unnecessary
cap lifts will be my #1 priority. Elect me to be YOUR voice at the table.

CHELAN, WA 98816

Thomas J Baranouskas

Elected Experience
Current: Hospital Commissioner, Cascade Medical, Hospital District #1, Leavenworth.
Past: In 2015 served remaining term for retiring commissioner.

Other Professional Experience
30+ years in the Defense/Research industry. 20+ years as VP & CFO at General Dynamics Divisions in Detroit & San Diego, and then Pacific Northwest National Laboratory, Richland, WA, where I retired.

Education
BS, Mathematics, MBA

Community Service
Current: Lake Wenatchee Fire and Rescue Auxiliary. Past: Cascade Medical Foundation Treasurer; Visitors Convention Bureau, Tri-Cities, WA; Finance Committee St Joseph Mercy Hospital, Pontiac, MI; Clinton Valley Boy Scouts of America, Waterford, MI; Led program/finance activities for \$300,000 opening of Veterans Memorial Civic Center, Lima, Ohio.

Statement
I gladly accepted the appointment to finish out a prior commissioner’s term and was gratified to be elected to my current 6 year term. Supporting and representing the community where we live is very important to me. We live in the Lake Wenatchee and Plain area and know that the partnership of Cascade Medical and Lake Wenatchee Fire and Rescue is critical to our part of Leavenworth. This is especially true of the emergency response capability. As a current board member, I am impressed by the hospital’s focus on patient-centered quality care and meeting the health care needs of the entire Leavenworth community. I totally support the hospital’s outstanding operating values in dealing with patients, employees, and the community. Equally important is Cascade Medical’s strategic focus on a sustainable future of health care for the community. Health care is undergoing much change. I believe my business and financial background, as well as my 6+ years commissioner experience, can contribute to meeting the needs of that change, to the benefit of Leavenworth, and to a successful long-term future for Cascade Medical.

Duane Goehner

Elected Experience
First time candidate

Other Professional Experience
Senior leadership, both at managerial and board level. My career focus has been on building solid teams, customer satisfaction, consumer advocacy, solid business planning, and implementation of fundamental principles that make an organization highly successful. I have led numerous non-profit organizations, learning together as we helped others reach personal and public achievements. Please see www.goehner.eu for detailed background.

Education
AA, Wenatchee Valley College; BA, Psychology, Seattle Pacific University; M.Ed Educational Technology, Seattle Pacific University; Post Graduate work: Moscow State University, EMT Certification.

Community Service
Leavenworth Residential Advisory Committee, Friends of Leavenworth Board Chairman, Business Leaders Mentoring Program, Multiple NPO boards.

Statement
Cascade Medical Center is an incredible asset to the Upper Valley, providing vital healthcare options for our residents and visitors. Important to me? Indeed! I was born at CMC and it remains my healthcare provider today. CMC’s primary strength is its skilled and dedicated employees who genuinely care for patients.

My commitment to both our community and CMC’s employees is my availability, listening ear, engagement in productive dialogue and leadership experience. I would like to setup community forums, “Coffee with the Board,” district-reaching surveys, Q&A sessions with community groups and staff, and conduction of board meetings at alternating times/places to allow the broader community and employees to attend. Insights from the frontlines can direct better plans, policies, and procedures. Good leadership--of course--requires wisdom to balance budgets, make strategic decisions, guide accountability...but there is more: It requires building relationship and consensus. It takes open conversation, transparency and honest discussion to build a cohesive organization that trusts leadership, builds customer loyalty and fosters stellar performance.

With your approval, it would be an honor to serve our community members and CMC’s dedicated employees, strategizing alongside the other Commissioners in building on CMC’s amazing strengths.

Murphy

Elected Experience
Commissioner, Lake Chelan Health (2016-2021)

Other Professional Experience
Registered Nurse (Hospital 7 yrs, Public Health Administration 9 yrs, Health Care Consultant to clinics, hospitals and other health organizations 24 yrs)

Education
BA English; BS Nursing; MS; Washington State Hospital Association Governance Certification (2019-2021)

Community Service
Lake Chelan Community Hospital Foundation Board Member (2009-2012), Chelan Teen Center Board Member (2004-2011). Community Foundation of NCW Board Member (2004-2013) and Chair (2010-2012) . Chelan Valley Senior Living Initiative Facilitator (2015-2018). Lake Chelan Community Services Council Board Member (1997- present) and Secretary. Volunteer grant writer, nonprofit organization consultant.

Statement
It would be a privilege to continue representing the people of our Hospital District as a Board Commissioner. The past 5 years have given us a glimpse of the changes coming in the health care environment, and I would like to help solidify our readiness for growth and sustainability. After working as a consultant with our Hospital District and local organizations to bring in over \$3.1 million for community needs, I am keenly aware of demographic growth and evolving issues. As the only health care professional currently on the Commission, I anticipate helping the team build accountability, quality, equity, and safety into a strong Hospital District we can all utilize and be proud of.

Community Service
Local Events & Lake Chelan Health’s clinics: Chelan Fire Station #7 & Chelan Fruit.

Statement
My family has lived in the Chelan Valley the last 13 years, owning 3 businesses in Manson. I love the small town feel of the area, although we have witnessed exponential growth over the last 18 months with our community becoming more diversified. I’m poised to be a great asset as Hospital Commissioner by utilizing my professional background in construction, supply chain and business management, and a strong interest in healthy living. In addition to my business skills, I’m able to communicate with the various communities who comprise the greater Chelan Valley, and have the character necessary to make Lake Chelan Health strong for years to come.

I want to thank the Board of Commissioners for facilitating the restart of the Hospital Project, bringing a new “Critical Access Hospital” for medical care to the valley. As a 6-year non-partisan position, the Board requires someone who can stay the course in promoting quality health care in the valley. My business and communication background brings the vast experience needed to the Board in managing this type of valuable community asset for years. I would appreciate your vote to allow me to fulfill this important role.

Statement
As one of the original commissioners involved in the formation of the Malaga Water District, I feel I have a unique perspective on the future needs of the district. I have kept abreast of the successes, issues and concerns over the year and now feel I need to put my oar in again to address the current and future needs of the district.

The Malaga area is a great place to live. The Malaga water district and your vote is the key to a successful future. I can be reached at watercommisionercandidate@gmail.com

Aniceto Guzman

Elected Experience
None

Other Professional Experience
Farmworker, landscaper, and caretaker

Education
Life

Community Service
I volunteer at my church

Statement
I have lived and worked on orchards, lawns, and a vineyard in Manson for over 40 years. I even temporarily worked for the parks.

All the parks in Manson have been a great place to take my children and now my grandchildren. I want to make sure the parks can continue being a great resource for all families. I am running for this position because I want to share my views and recommendations, and I think they would make a good addition to the Manson Parks & Recreation.

Teresa Hambelton

Elected Experience
Teresa has elected into a life of local recreation. Case in point, you can find her paddling on Lake Chelan and playing tennis in Manson or cross-country skiing nearby in the winter.

Other Professional Experience
A Washington state resident and customer-focused business leader for the majority of her life, Teresa works to enable all people with technology.

Education
Teresa attended Washington State University (Go Cougs) and has always had a passion for marketing, a career she is thriving in today.

Community Service
Teresa is relentlessly dedicated to her community, having given time and resources to many causes over the years (a majority health and wellness focused).

Statement
Let's be real, it's a dream to live in Manson. I started coming to Wapato Point as a preschooler and I must say, it's as dreamy now as it was then. I am all in on helping this community shine and thrive, well into my golden years. Protecting the world-class beauty and resources, that we have all grown to love at Lake Chelan, is my top priority.

Data always tells the story and I'm all about letting it lead the way. According to the 2020 Fall/Winter Manson Parks Survey, 52% of you believe waterfront acquisition should be a top priority, 69% would support a Capital Improvements fund and, well, the parks were your saving grace during the pandemic (warding off depression, getting your cooped up kids out). If elected, I would start with these data points and build a diverse focus group to learn more. The strategy would evolve quickly from there.

Also, as a lifelong swimmer, I'd love to see a public pool in Manson. Learning to swim is one of life's greatest skills. I do the right thing always. I look forward to serving you and leading the way.

Local Measures

Fire District No. 7
Proposition No. 1

The board of Chelan Fire and Rescue adopted Resolution No. 2021-02, concerning an increase in the District’s property tax levy. In order to maintain current levels of fire and emergency medical services, Proposition 1, a levy lid lift, will establish the District’s regular property tax levy to the rate of \$1.10 per \$1,000 of assessed value for collection in 2022. The maximum allowable levy in 2022 shall serve as the base for computing limitations for subsequent levies. Should Proposition No. 1 be:

- [] Approved
- [] Rejected

Argument For

Proposition 1 is a request by the Chelan Fire & Rescue Board of Commissioners to increase the current levy rate by 30 cents to \$1.10 per \$1,000 assessed value to fund the fire protection and emergency services provided for Fire District 7. Proposition 1 is needed to meet the growing demand for these services driven by our community’s population and economic growth over the last fifteen years. Unfortunately, 2006 was the last time funding was approved, and this amount is not enough to sustain emergency service levels into the future. When Proposition 1 is approved, everyone who lives, works, and visits our community will continue to benefit from the fire protection and emergency services that keep us safe and secure. If Proposition1 is not approved, the fire protection and emergency services provided will not keep pace with the demand from the community, putting lives, property, and businesses at risk.
