Terms of Office

A term is a length of time when an elected official is in office. Most terms begin on or shortly after January 1, after the official is elected. Exception: school district directors take office at the next scheduled meeting after the election results are certified.

Regular (full) term lengths vary based on the type of district and the rules that govern the district. Common term lengths are 1 year, 2 years, 4 years, or 6 years.

When a vacancy occurs in an elected office, it can create the need to elect a person to either a short and full term or an unexpired term.

A **short and full term** is designated when the vacancy occurs in an office that is already scheduled for election at the next General Election. The winning candidate takes office immediately following the certification of the election to serve the “short term” until their “full term” begins, typically on, or shortly after January 1.

An **unexpired term** is designated when a vacancy occurs in an office not scheduled to be on the ballot at the next General Election, but still in a year in which the district elects other offices. The winning candidate takes office immediately following certification of the election for the remainder of the term that was vacated.

If a candidate does not provide a campaign mailing address, the address in his or her voter registration record will be published online in the list of candidates who have filed.

Make certain that phone numbers, email addresses and website addresses are accurate, functional, and not confidential or private. The use of government email accounts for the purpose of assisting a campaign is considered improper use of public resources and therefore not allowed as campaign or candidate contact information.

**Withdrawal of filing
RCW 29A.24.131**

A candidate may withdraw his or her candidacy in writing no later than 5:00 p.m. Monday, May 13, 2024. There is not a withdrawal period when filing for office during the special three-day filing period. **Filing fees are not refundable.**

**Order of appearance
on ballots and in Local
Voters' Pamphlet
RCW 29A.36.131,
RCW 29A.36.170**

The order of candidates' names on the Primary ballot and in the Primary Local Voters' Pamphlet is determined by lot draw. The lot draw occurs after the close of filing week on Friday, May 10, 2024. The process is open to the public and begins shortly after 5:00 p.m., after the candidate filing forms have been processed.

For the General Election, the candidate with the most votes in the Primary will be listed first on the ballot in the Local Voters' Pamphlet. If no Primary is held for an office, candidates will appear on the General Election ballot in lot draw order.

Local Voters' Pamphlet

Submit Local Voters' Pamphlet Information

The deadline to submit Local Voters' Pamphlet information is **5:00 p.m. Tuesday, May 21, 2024.**

The Local Voters' Pamphlet provides an opportunity for every candidate running for a position to have his or her biographical information, candidate statement, contact information and photo published.

After a candidate files for office, he or she will receive an email with a link. The link can be used to submit the information listed above for publication in the Local Voters' Pamphlet. A candidate may also submit his or her information by email to elections@co.chelan.wa.us or in person at 350 Orondo Ave STE 306, Wenatchee, WA 98801. The Elections Office cannot accept information submitted on a flash drive.

To meet the deadline, candidates should submit their information as soon as possible after they file for office. There is no benefit in delaying. Local Voters' Pamphlet submissions are kept confidential until the submittal deadline has passed and all submissions have been approved by the Elections Office.

Any candidate who experiences technical problems while submitting his or her information online should call the Elections Office immediately at (509) 667-6808. Technical difficulties will not excuse candidates from meeting the deadline.

All submissions for the Local Voters' Pamphlet must be received in the Elections Office by **5:00 p.m. Tuesday, May 21, 2024.**

Offices that file with the state must make sure to submit voters' pamphlet information to the state within their deadline.

Once submitted, all biographical information, statements, photos and contact information are final. Submissions cannot be revised by the candidate.

Candidates may **NOT** submit a new statement for the General Election Local Voters' Pamphlet. The information submitted for the Primary pamphlet will also be used for the General Election pamphlet.

Chelan County publishes an official Local Voters' Pamphlet for the Primary and General Election. It is available in printed and electronic formats. The electronic version is published at elections.chelancountywa.gov.

A declared Primary write-in candidate may submit voters' pamphlet materials to the Elections office by the Tuesday following the Primary. Any previously unopposed candidates on the Primary ballot may submit a revised pamphlet statement when a write-in candidate for the same position files a declaration of

candidacy; the revision must be received by the Tuesday following the Primary.

Public Disclosure Commission

Washington State Public Disclosure Commission

The Public Disclosure Commission (PDC) provides public access to accurate information about the financing of political campaigns, the expenditures of lobbyists, and the financial affairs of public officials and candidates. The commission ensures compliance and enforcement of Washington's disclosure and campaign finance laws.

Note: The information contained in this section is for informational purposes only. Candidates are advised to verify that they are following all state, county and local laws. Candidates must contact the PDC directly with any questions or concerns.

The following information is stated on the PDC website:

Several actions make you a candidate in the eyes of the law and prompt the requirement for filing reports with the PDC. For candidates who did not previously announce their candidacy, raise funds or spend money on their campaigns, the declaration of candidacy is the triggering event.

Within two weeks of filing that declaration, most candidates must register their campaigns (C-1 report) and disclose personal financial affairs (F-1 report). **All reports must be filed electronically.**

Registered voter totals by district can be obtained by calling the Elections Office at (509) 667-6808.

- All candidates who have filed have passed away or have been disqualified.

There is no void in candidacy as long as there is at least one viable candidate for an office.

If a void in candidacy for an office exists, a special 3-day filing period will be opened. The Elections Office will provide notice of the special 3-day filing period by notifying the media. There is no withdrawal period when filing for office during the special 3-day filing period.

If a void in candidacy is filled as a result of the special 3-day filing period, no Primary will be held. All candidates who file during the special 3-day filing period will appear on the General Election ballot.

Lapsed Elections
RCW 29A.24.191,
RCW 29A.24.201

If no candidate files for an office during the regular filing period and subsequent special 3-day filing period, an election for that office will not be held until the next election for that office. The incumbent continues to serve until a successor is elected at the next election when such positions are voted upon.

Guidelines for Primary

Partisan Offices

**RCW 29A.52.112,
WAC 434-215-120,
WAC 434-230-045,
WAC 434-230-055**

A partisan office is an office for which a candidate may choose to indicate a political party preference or no party preference on his or her Declaration of Candidacy form. Federal, state, legislative and precinct committee officer positions are partisan offices.

A Primary will be held for each open partisan office, regardless of the number of candidates filing, with the exception of an unexpired term for which only one candidate files a Declaration of Candidacy.

Each candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate. Changes to party preferences will not be accepted after the deadline for withdrawal of candidacy.

In the Primary, the name of a candidate for a county commissioner position will appear on the ballot for his or her district only.

On the Primary ballot, candidates shall be listed in the order determined by the lot drawing.

The two candidates who receive the greatest number of votes in the Primary will advance to the General Election regardless of their party preferences. The candidate who received the most votes in the Primary will appear first on the General Election ballot.

Nonpartisan Offices

**RCW 29A.52.220,
RCW 29A.52.231,
RCW 35.61.050,
RCW 36.69.090**

A nonpartisan office is an office for which candidates do not indicate a party preference. All judicial, port, public utility district, city, school, hospital, fire, cemetery, water, sewer and parks & recreation district offices are nonpartisan offices.

A Primary will be held if three or more candidates filed for a nonpartisan office. The two candidates with the most votes continue on to the General Election. The candidate who received the most votes in the Primary will appear first on the ballot in the General Election.

In the Primary, if three or more candidates file for a port or public utility district commissioner position, this race will appear on the ballot for his or her district only.

A Primary will not be held for park and recreation district positions and cemetery district positions. All candidates will advance directly to the General Election and will appear on the ballot in lot draw order.

**Election of Precinct
Committee Officers
(Even-Numbered Years
Only)**

Anyone who is a registered voter and a member of a major political party may become a candidate for Precinct Committee Officer (PCO). A candidate may file a Declaration of Candidacy Precinct Committee Officer form in person, by mail or online. Since voters do not register by political party in Washington, a candidate declares himself or herself to be a member of a political party at the time of filing.

PCOs will be elected during the Primary.

If only one person files for office, he or she is deemed elected. Only PCO races with two or more candidates will appear on the ballot and write-in candidates are not allowed. Order will be determined by lot draw. Democratic PCO's are listed first on the ballot. State law requires the major political party that received the highest number of votes from the electors of this state for the office of President of the United States at the last presidential election to be listed first. If no one files for office, the position is filled by the chairperson of the County Central Committee of the appropriate political party.

PCOs are not included in the Local Voters' Pamphlet.

Term of office and vacancies:

The term of office is two years. Should a vacancy occur in the office (caused by death, disqualification, resignation or failure to elect), the chairperson of the County Central Committee fills the vacancy by appointment.

Duties of a PCO:

Each officer is a member of the County Central Committee. The committee has the authority to nominate candidates or fill vacancies for state, legislative or county offices. The committee may also elect members to the State Central Committee. PCOs participate in party activities and represent the party.

Judicial Offices

Judicial candidates only appear on the Primary ballot when three or more candidates file for the office. The candidates' names appear on the ballot in lot draw order.

See the chart below for more judicial office information.

Guidelines for General Election

Partisan Offices

On General Election ballots, the name of the candidate who received the greatest number of votes for the position in the Primary will be listed first, followed by the name of the candidate who received the next greatest number of votes.

A candidate for partisan office may state the political party that he or she prefers. A candidate's party preference does not mean that the candidate is endorsed by the party. Changes to party preferences will not be accepted after the deadline for withdrawal of candidacy.

Candidates for county commissioner will appear countywide in the General Election.

Nonpartisan/Judicial Offices RCW 29A.36.170

On General Election ballots, the name of the candidate who received the greatest number of votes for the position in the Primary will be listed first, followed by the name of the candidate who received the next greatest number of votes. If a Primary was not required for a nonpartisan office, the candidates' name will appear in lot draw order.

Prohibited Activities

Acts Prohibited in the Vicinity of a Voting Center or a Ballot Deposit Site

WAC 434-250-100,
RCW 29A.84.510,
RCW 29A.84.530,
RCW 29A.84.540

During the voting period, no person may, within a voting center:

- Suggest, persuade, or attempt to suggest or persuade any voter to vote for or against any candidate or ballot measure
- Circulate cards or handbills of any kind
- Solicit signatures for any kind of petition
- Engage in any practice which interferes with the freedom of voters to exercise their right to vote or disrupts administration of the voting center

No person may:

- Interfere with a voter attempting to vote at a voting center or a ballot deposit site
- Without lawful authority, remove any ballot from a voting center or a ballot deposit site
- Within 25 feet of a ballot drop box not located within a voting center, electioneer, circulate campaign material, solicit petition signatures, or interfere or impede the voting process

Recounts

Mandatory/Automatic Recounts RCW 29A.64

An automatic machine recount will be conducted if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than 2,000 votes and also less than one-half of one percent of the total number of votes cast for both candidates. The recount is applicable only to the candidate apparently nominated or elected to office and the closest apparently defeated opponent. The automatic recount will tally only votes for the position in question and will be conducted without charge to any candidate.

For statewide elections, if the difference in the number of votes cast for apparent winner and the closest apparently defeated opponent is less than 1,000 votes and also less than one-quarter of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually.

For all other elections, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than 150 votes and also less than one-quarter of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually. An alternative counting may be used if both candidates agree to it in writing and if the procedure is suited to the balloting system that was used for casting the votes for the office.

If a mandatory recount is required for a candidate in a jurisdiction, the cost of the recount is billed as a direct cost to the jurisdiction.

Local Measure, Question or Issue

Automatic recounts do not apply to non-statewide ballot measures, such as levies, bonds, and other question or issues.

Request for Recounts

All requests for recounts must be submitted no later than two business days after the certification of the election. A deposit equal to 15 cents (machine recount) or 25 cents (manual recount) per ballot by certified check or cash is required. The final cost of the recount will be determined by the canvassing board and may be less or more than the deposit.

At any time before the ballots from all of the precincts listed in the application for the recount have been recounted, the applicant may file with the board a written request to stop the recount.
