How To Vote

Here are a few important reminders to make sure your ballot is counted.

Mark your ballot by completely filling in the box to the left of your choice with a black or blue ink pen. If you want to vote for a candidate not appearing on the ballot, mark the box to the left of the dotted line provided to indicate your choice. Be sure to mark only one choice for each race on the ballot.

*Example:
Candidate 2 has
been chosen.*

*One candidate has
been marked and
the box is filled in
completely.*

LOCAL NONPARTISAN OFFICES	
SAMPLE DISTRICT

VOTE FOR ONE	
<input type="checkbox"/>	Candidate 1
<input checked="" type="checkbox"/>	Candidate 2
<input type="checkbox"/>

Check your ballot to be sure you have voted for the candidates you intended. Make sure you mark only one response box in each race. If you mark more than one, your vote in that race will not be counted. Your other votes will be counted if they are done correctly. Leaving an office blank will not invalidate your ballot.

If you make a mistake marking your ballot, draw a line through the incorrectly marked choice as shown. You then have the option of marking another choice.

Please do not use white out.

VOTE FOR ONE	
<input checked="" type="checkbox"/>	Candidate 1
<input checked="" type="checkbox"/>	Candidate 2
<input type="checkbox"/>

To vote for a candidate not listed for that race, fill in the box to the left of the dashed line and print the name of the candidate.

Mailing Your Ballot

If you are mailing your ballot, no stamp is required.

Ballots dropped at the Post Office or blue postal bin on Election Day, are not always date stamped the same day.

We strongly recommend returning your ballot as early as possible. Mailed ballots must be postmarked by November 8, 2022.

CHELAN COUNTY CLERK
4 YEAR TERM

Sandra
Arechiga
(Prefers Independent Party)

Biography

I am proud to call Chelan County home. In these valleys, I have raised my three amazing children: Omar, Anthony and Karisma, who have inspired me to be a dreamer and make a positive impact.

After immigrating to this country and becoming a naturalized citizen, I've gained a unique understanding of the diverse needs of our communities. As a proud Hispanic-American, and leveraging my eight years of experience in the Clerk's Office, I am committed to providing the best service to our diverse county.

Statement

Hello, My name is Sandra Arechiga and I am running for Chelan County Clerk.

Over the last eight years, I have gained essential experience by serving the Clerk's Office as Courtroom Clerk, Jury Administrator, Court Facilitator, Court Collections, Records Management, Front Desk Clerk, and Processing Passports.

Through my work in the Clerk's Office I have learned the role and inner functions of the Clerk's position; additionally, I have leveraged my heritage, as a Spanish-speaking American, to serve and assist all citizens in Chelan County, ensuring they receive proper guidance to suit their individual needs.

Currently, I serve as a Family Law Court Facilitator, where I take pride in collaborating as a team player, being a quick learner, and being a detail-oriented person.

When elected as Chelan County Clerk, I aim to build bonds among the staff, judiciary, and administration. My commitment is to serve all citizens and treat each other with respect, courtesy, transparency, and professionalism. Additionally, I aspire to contribute unwavering time and efforts into making a positive impact on the Chelan County Clerk's Office and its residents.

I humbly ask for your support by voting for Sandra Arechiga as your next Chelan County Clerk.

Statement

My wife, Jackie, and I have 9 children and moved to Blewett Pass over 24 years ago. My experience and leadership skills working as an Operations and Production Manager included administration, budgeting and quality control.

I lead by example and manage by walking around to understand the front-line work and utilize subject matter experts. Teamwork is used to successfully build morale and lean efficiency. I look forward to serving Chelan county using all available resources for a seamless transition in the office. I am conservative and will continue to serve the public in a fiscally conservative manner. I understand this is a challenge for the County Clerk as we strive to improve employee salaries and reduce turnover. It is not feasible to train a team member for nearly two years only to have them leave the office for a better paying position. I worked well with unions in my previous management positions, and I am currently a union member myself serving on the statewide executive board. I'm a member of the union Conservative Caucus. I'm also the current secretary of the Chelan County Republican Central Committee. Compassionate conservatism will unite America again.

I have a Bachelor of Science in Business Administration with an Accounting option and a Masters in Education but my most rewarding work has come as a school counselor.
The PUD is a vital part of our community, providing the nation's lowest cost electricity to residences and businesses, building parks and recreation opportunities, and stewarding our environment and natural resources. As your PUD Commissioner I would work to continue to ensure ratepayers and stakeholders are informed, keep rates low through excellent fiduciary oversight, and strengthen and grow vital community programs, including the fiber network, the Pay It Forward and Ways To Pay programs, and learning centers.
My goal as a commissioner would be to continue to support these services and programs and ensure sustainable power in Chelan County for generations to come.

Statement

I have gained valuable experience that uniquely qualifies me to serve once again as your Chelan County PUD Commissioner. I voted for and supported the districts present course in reducing its long-term debt and during my time in office worked hard to help develop the districts strategic plan and surplus energy sales program. There is value for employees and rate payers in having an experienced commissioner with strong work ethics serving on the board.

I will hold myself to the highest standards, while fulfilling my moral and fiduciary responsibilities. I will work very hard to maintain our low electrical rates and least cost utility services to complement the environment and quality of life in Chelan County. Elected public servants must be responsive to the needs of the community. I believe the rate payers of Chelan County deserve the best and should expect nothing less from their elected officials.

Statement

The Chelan County Public Utilities District is one of the largest employers in our county, with services that affect every resident in the county and beyond.

The policies and decisions made by the Commission of the Chelan County PUD are among the most important. Our county is experiencing explosive growth which places increased demand on power, natural resources, personnel and infrastructure managed by the Chelan County PUD. I will make sure decisions and policies made continue to fulfill the mission to enhance the quality of life in Chelan County by providing sustainable, reliable utility services. I am committed to honoring the values established by the current commission, working with integrity and transparency, being good stewards of the natural resources, providing areas for families and community members to gather and recreate, maintaining the delicate balance of supplying affordable power to our residents while at the same time proactively working with municipalities to anticipate growth and to provide adequate supply and distribution. The Chelan County PUD Commission must be proactive in anticipating the needs of our county and must be willing to make tough decisions. I am committed to the residents of our county and I am willing to make tough decisions.

“It is not the hand that signs the law that holds the destiny of America. It is the hand that casts the ballot.”
– President Harry S. Truman

How are ballots processed?

- Ballots sent through the US Postal Service are delivered from the post office by postal worker and brought directly to the Elections Office.
- Ballot drop boxes are emptied by two elections staff. Ballots are placed in sealed containers and brought to the Elections Office.
- Ballot envelopes are scanned and signatures are verified.
- The signature on each envelope is matched to the signature in the voter's registration record.
- If the signature matches it is marked as "accepted."
- If the signature is missing or doesn't match it is marked as "rejected." Voters are mailed a letter with a ballot declaration to cure the issue. This declaration must be returned with a signature matching to the signature on the ballot envelope for the ballot to move forward in the process.
- Ballots with verified signatures are then forwarded to an election team for extraction.
- The secrecy sleeves are removed from the outer envelope, separating the ballot from the voter's information on the envelope.
- Ballots are then removed from the secrecy sleeves.
- Ballots are inspected for physical damage or other potential scanning issues, such as white-out or tears.
- If a ballot is unable to be scanned, an election team will duplicate the ballot. An audit of all duplicated ballots is performed by a different election team.
- Ballots are scanned, prepared for tabulation and securely stored.
- A Random Batch Audit is completed within 48 hours after Election Day. Up to 6 batches are randomly selected and a race is chosen. All batches are hand counted and compared to the results tabulated by the machine to ensure the equipment is tabulating properly.
- Vote totals are calculated beginning at 8 p.m. on Election Night. Ballots with valid postmarks will continue to be processed and tabulated up until the day before certification.

CHECK YOUR BALLOT STATUS:

www.VoteWA.gov

During an election, track your ballot at www.VoteWA.gov. The ballot status will update as your ballot is received and processed. Please allow 3-5 business days for your ballot to be posted as received.

Ballot Status Categories:

Sent - Ballot has been marked as sent by the county (date may be in the future).

Accepted - Signature review has been completed, the voter has been credited with voting, and the ballot is accepted.

Rejection/Challenged + Challenged Reason - Signature or ballot has been challenged. The Chelan County Elections Office will contact the voter.

Challenge Reasons:

These challenge codes require action by the voter. The voter will be contacted by the Chelan County Elections Office.

Unsigned - The voter did not sign the declaration on the outside of the return envelope.

Signature Does Not Match - The signature on the return envelope does not match signature on file.

ID Required - The voter registration has failed the ID check and must provide ID before the ballot can be counted.

Power of Attorney - A Power of Attorney has signed the declaration on behalf of the voter. This is not allowed for voting purposes.

The status for this code could change during processing.

Hold - Voter returned a previously issued ballot that has been superseded. If the ballot returned is the same ballot style as the current ballot, it will be counted. If different ballot style, the ballot must be held until 7 days after Election Day.

Did you know that you can access your ballot online?

Lost or damaged ballots happen. There's an easy way to access and print your ballot right from home.

- Visit www.VoteWA.gov and enter required information to access your ballot.
- Make your selections on the computer or print out a blank ballot and fill it in by hand. If you choose to make your selections online, please double check those selections before and after printing your ballot.
- Return via mail or secure drop box, just like you normally would. No postage is required if using one of our ballot drop boxes.

Any registered voter can use the online ballot marking program to access and print their ballot.

Voters with disabilities can mark their choices on the ballot online. The online ballot marking program has been designed specifically to enable voters who are blind or have low vision to cast a private ballot.

Other voting options

If one of the above options doesn't work for you, please contact our office for further assistance.

Track your ballot online!

All voters are able to track their ballot online to make sure it was received by Chelan County Elections and track it through the process of being counted. Visit www.VoteWA.gov.

If there is an issue with your signature, the ballot tracker will point you in the right direction to get that fixed so your vote can be counted. If there are no issues with your ballot you'll be able to rest easy on Election Day knowing that your voice was heard.

Do your part!

While the Elections Office is continually updating the voter rolls with information from the Department of Licensing, the post office, local obituaries and a monthly public health deceased list, you can do your part by following these simple steps:

- Update your address with the Elections Office whenever it changes. Address changes can be made online through www.VoteWA.gov, by email, mail or phone until 5 p.m. October 31. You may update your registration in-person until 8 p.m. on Election Day.
- If you are a snowbird or a college student, email or call to set up a seasonal or temporary mailing address.
- Return to Sender! If you receive a ballot for a person who does not live at your residence, write "Does not live here" on the unopened envelope and put it back in the mail.
- If you receive a ballot for a recently deceased voter, write "Deceased" on the unopened envelope and put it back in the mail. We will research and follow up.

Keeping up-to-date with the Elections Office is quick and easy!
