## Cascade Medical Reports Two (2) Positive Tests

**East Wenatchee, WA** – This is a joint news release from Chelan-Douglas Health District (CDHD) and Cascade Medical. On Tuesday, March 24, 2020, CDHD was notified by Cascade Medical of two (2) lab-confirmed positive test results for COVID-19. This brings the health district's total number of lab-confirmed positive cases to nine (9), eight (8) of which are Chelan County residents and one (1) Douglas County resident.

Yesterday, Governor Jay Inslee signed a "Stay Home – Stay Healthy" proclamation, ordering everyone not to leave their homes through April 8, except for crucial activities. You can find the Governor's complete order at: <https://www.governor.wa.gov/office-governor/official-actions/proclamations>. In addition to staying home, we encourage everyone to:

- **Continue to practice all hygienic recommendations:** proper hand washing, avoid touching your eyes, nose or mouth and cover your cough/sneezes. Clean and disinfect commonly used objects and surfaces.
- **Rely on credible sources of information.** Please stay up-to-date via credible resources such as local health departments, the [Washington State Department of Health](https://www.wa.gov/department-of-health) and [Centers for Disease Control and Prevention](https://www.cdc.gov/).

If you are experiencing COVID-19 symptoms, please call Cascade Medical at (509) 548-5815 if you live in the Leavenworth area, or call Confluence Health at 509-663-8711 or the State Department of Health hotline at 1-800-525-0127. Do not go to see a doctor without calling ahead first.
