### New Applications

- Groundwater
- ▲ Surface Water
- Reservoir

# Coordinated Cost-Reimbursement

- Everyone pays own processing or stays in line and others go ahead of them.
- Applicant requests coordinated processing, and Ecology may initiate it.
- “Pool” of applicants is defined and notice provided by Ecology.
- Quantities for permitted & exempt uses under negotiation at WWWG.
- County tracks reserve (permitted & exempt via building permits) and reports to Ecology every 5 years.
