

Icicle Creek Work Group
Thursday, December 3, 2015
10:00 – 3:30 PM
Confluence Technology Center (Wenatchee)

AGENDA

10:00 Introductions, Review Agenda

IWG Decision Point: Approve September 29, 2015 IWG Meeting Summary

10:05 Steering Committee Report (Jim Brown, Others)

- SEPA and project timing (Dan Haller, Melissa Downes)
- Boulder Field issues resolved from 9/29 IWG meeting: screening needs, instream flow requirements, funding coordination, fish passage and tribal fishery, design.
- Funding coordination meeting in January (January 7th proposed).

IWG Decision Point: Steering Committee recommendation to remove “including at Boulder Field” on Integrated Base Package table. Change to “improve passage in Icicle Creek including passage to Upper Icicle Creek”. Content in SEPA Scoping would include all opportunities in every reach of Icicle Creek.

10:40 IWG Member Support Letters – update (All)

11:00 LNFH Tribal Fishery Analysis (Steve Parker, Dan Haller, Dave Rice)

11:30 Pump Exchange O&M Memo (Dan Haller, Dave Rice)

12:00 Working Lunch (provided)

12:30 COIC Alternatives Analysis and Next Steps (Greg McLaughlin, Dave Rice)

1:00 Communication Strategy Update (Mary Jo Sanborn, Melissa Downes, Dan Haller)

- Key messages, library of outreach materials (comments due by December 31)
- Upcoming public outreach opportunities:
 - 2016 Upper Columbia Science Conference (January 27 & 28 in Wenatchee)
 - Tree Fruit Industry Conference (December 7th in Yakima)

- Wenatchee Habitat Subcommittee meeting (January 20 in Wenatchee)

1:30 Habitat Project Development (Mike Kane, WDFW, USFWS, CDLT)

2:30 Master Scope of Work and Budget (Mary Jo Sanborn, Dan Haller, Melissa Downes)

IWG Decision Point: approve master scope of work and budget.
