

# CRP 647 West Malaga Road Intersections

West Malaga Road (MP 0.20 to 0.5)

Last Updated: March 13, 2020

Project No.: County Road Project 647

Project Length: 0.3 miles

Project Basis: Intersection Safety Project

Construction: March-April 2020

**Project Description:** The project will improve the intersections of West Malaga Road with McElDowney and Golf Course roads. The project's primary goal is to improve the turning radius from McElDowney Road onto West Malaga Road to alleviate conflicts due to the turning radius needed for large commercial trucks. The project also will improve the sight distance for drivers, install guardrail and widen the road for a future turn lane at Golf Course Road.

**Status:** The project was awarded to Smith Excavation. Construction will begin March 23, 2020.

**Travel Impact:** The speed limit in the work zone will be reduced to 25 mph. Construction is scheduled to take 35 working days. Impacts include one-lane, flagger-controlled traffic during daylight hours.
