

CRP 711: School Street Mid-Block Crossing

School Street MP 0.72 to MP 0.74

Last Update: March 21, 2018

Project Number: County Road Project 711

Project Length: 0.02

Basis for Project: Pedestrian/School Safety

Construction: June 2018

Project Description: Project will construct a marked pedestrian crossing across School Street, with pedestrian-activated, enhanced school crossing signs between Sunnyslope Elementary School and the school parking lot.

Status: Project is out for bid. Construction, which should take about 10 days, is expected to begin in June 2018 and wrap up prior to the beginning of the school year.

Traffic Impacts: During construction, travelers should expect flagger-controlled traffic with minimal delays.

Funding Sources:

County Road Fund	\$ 5,300
STBG (Federal)	\$34,200
Wenatchee School District	\$30,500

TOTAL: \$70,000

The project will construct a new, safer pedestrian crossing between the school and the school parking lot, an area actively used by families and staff.
