

# CRP 726 Goodwin Road Improvement Project

Last Updated: March 8, 2021

Goodwin Road (MP 0 to 0.14) and a section of Sunset Road (MP 0.54 to 0.90)

Project No.: County Road Project 726

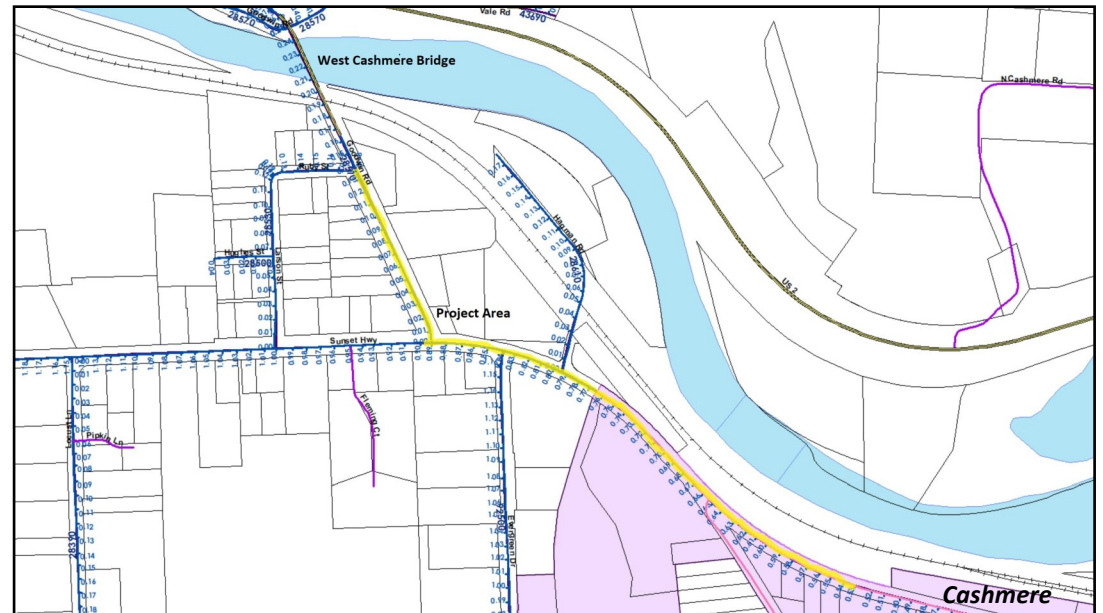

Project Length: 0.5 miles

Project Basis: Safety & Mobility

Construction: Spring/Summer 2023

**Project Description:** The primary purpose of the project is to reconstruct Goodwin Road from milepost 0 to 0.14, a section of Sunset Road from milepost 0.54 to 0.90, and its intersection with Evergreen Road. The roads, designated as Rural Major Collectors and located within the City of Cashmere and its urban growth area, will be reconstructed and widened to meet applicable county/city road standards. In addition to mainline construction, Evergreen/Sunset and Goodwin/Sunset intersections will be design for larger vehicular turning movements and include illumination. When completed, Goodwin Road will connect to the termini of the newly built West Cashmere Bridge, providing freight mobility access and pedestrian route connectivity.

**Status:** The project is currently under design. The city and county continue to work on securing grant funding for the nearly \$3 million project.

## Funding Sources:

RAP	\$253,200
County	unknown
City of Cashmere	unknown
<b>Current Funding Total:</b>	<b>\$ 253,200</b>
