

Cascade Orchard Bridge 2022 Deck Restoration Project Detour Route

Traffic Impacts:

For most of construction, the bridge will be open to one lane, with flaggers directing traffic.

However, a 30-day closure of the bridge is necessary. A detour route will be established via East Leavenworth Road.

Parking under the bridge that is typically used by recreationists on the Icicle Creek will remain open during construction.

Watch the Chelan County Public Works website and Facebook page, where we will post the starting dates of that closure.
