I, _____, the owner of property located at (street address), hereby agree to adequately control vegetation* growing within the Chelan County road right of way adjoining my property, in lieu of herbicide applications being performed by the County at these locations.

I further understand and agree that the no spray area shall be maintained as weed free to the satisfaction of the County.

I further understand and agree that the failure of owner to control noxious weeds may result in a Notice to Control Noxious Weeds being issued by Chelan County Noxious Weed Control Board. In addition, I further understand and agree that if the property owner fails to adequately control vegetation in the County Right of Way adjoining the owner’s property, that Chelan County has the right to unilaterally cancel this Agreement upon five (5) days written notice to property owner, following which, Chelan County will remove any “Owner Will Maintain” signs and conduct necessary measures to control vegetation on the County Right of Way adjoining the property owner’s property. Said letter of cancellation shall be sent to owner at:
