Sheriff Brian Burnett reports on November 21<sup>st</sup>, 2020 at approximately 6:45 am an injury collision was reported on Malaga Alcoa highway at the Appleyard. Deputies responded along with Chelan County Fire District 1 and Ballard Ambulance. When responding units arrived they found the collision involved four total vehicles. The driver of a 2008 Subaru Impreza, a 26 year old Wenatchee male was in need of extrication and had serious injuries. Unfortunately, he died at the scene.

The collision is still under investigation with the assistance from Washington State Patrol, but according to witness statements it appears the Subaru Impreza was travelling north on Malaga Alcoa Highway. The vehicle travelled across the centerline and had a minor impact with a southbound Subaru Legacy wagon. The Impreza started to spin and impacted another southbound vehicle, a Nissan Murano. This impact was on the driver's side door of the Subaru Impreza. The driver of the Nissan Murano was transported to CWH with non-life-threatening injuries. A fourth vehicle, a Honda Element was southbound behind the Nissan Murano and had a minor impact with one of the other vehicles while trying to avoid the collision. The driver of that vehicle was uninjured.

The identity of the 26 year old Wenatchee male is being withheld to allow time for the family to be notified.
