Chelan County  
Veterans Service Office

# "PROVIDING POSITIVE LIFE CHANGES TO VETERANS & THEIR FAMILIES"

## Our Services

Serving our country requires integrity and selflessness. These qualities normally don't allow Veterans to ask for help easily. This office is dedicated to assisting Veterans with dignity and sincerity.

Assistance can come in many forms, from filing claims to applying for healthcare. Our experts complete the appropriate paperwork to achieve the best outcome for every Veteran.

Our affiliation with the Washington State Department of Veterans Affairs provides a comprehensive network of resources to advise and track claims and submittals through the Veterans Administration process.

Our assistance program is available to all qualified indigent Veterans and can provide monies for utilities, food, fuel to get to VA appointments, and other essential items.

## Our Mission

With mutual respect, dignity and acceptance through cooperative services, Chelan County Veterans Program provides assistance for positive life changes to Veterans and their families.

24-Hour Crisis Hotline: Dial 988

## About Us

The Chelan County Veterans Service Office is a tax-funded program overseen by the Chelan County Veterans Advisory Board. Board members are committed to the betterment of the community through assisting Veterans and their families.

Along with our community partners, we aid in building relationships for long-lasting Veteran success. Working within guidelines, we are able to provide assistance, apply for benefits, access VA Healthcare, and help with all sorts of Veteran-based questions and requests.

Contact your local Veterans Service Officer today.
